motley crue autobiography pdf: The Dirt Tommy Lee, Vince Neil, Nikki Sixx, Mick Mars, 2014-07-01 NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting.

motley crue autobiography pdf: Tommyland Tommy Lee, 2009-10-13 The New York Times bestseller in which Tommy Lee, rock and roll's most notorious bad boy bares it all—and boy is there a lot to bare! I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks, what I think of the tabloids, the truth, my ex-wives, my ex-band, my music, and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth.

motley crue autobiography pdf: The Dirt Neil Strauss, 2020-03-09 A mais influente, duradoura e icônica banda de hard rock dos anos 1980 conta tudo nesta autobiografia de proporções épicas sobre quatro ícones do rock norte-americano. O Mötley Crüe foi a voz de uma Geração X que mal chegara à puberdade, os altos sacerdotes do rock de mensagens satânicas gravadas ao contrário nos discos, pioneiros do glam de Hollywood e os criadores da primeira power ballad da MTV. Eles se envolveram com celebridades e seus excessos deixariam até Ozzy Osbourne envergonhado. Escrito de maneira brilhante, sempre provocador e revoltante, este livro é um retrato dos estereótipos do rock 'n' roll. Inclui centenas de fotos e um olhar sem precedentes e sem filtros nas vidas de Tommy Lee, Mick Mars, Vince Neil e Nikki Sixx. Publicado originalmente em 2001, The Dirt inspirou o filme da Netflix e enfim chega às mãos dos fãs brasileiros.

motley crue autobiography pdf: The Truth Neil Strauss, 2015-10-13 FROM THE INTERNATIONAL BESTSELLING AUTHOR OF THE GAME Neil Strauss became famous to millions around the world as the author of The Game, a funny and slyly instructive account of how he transformed himself from a scrawny, insecure nerd into the ultra-confident, ultra-successful 'pickup artist' known as Style. The book jump-started the international 'seduction community', and made Strauss a household name—revered or notorious—among single men and women alike. But the experience of writing The Game also transformed Strauss into a man who could have what every man wants: the ability to date or have casual sex with almost every woman he met. The results were heady, to be sure. But they also conditioned him to view the world as a kind of constant parade of women, sex and opportunity—with intimacy and long-term commitment taking a back seat. That is, until he met the woman who forced him to choose between herself and the parade. The choice was not only difficult, it was wrenching. It forced him deep into his past, to confront not only the moral dimensions of his pickup lifestyle, but also a mystery in his childhood that shaped the man that he became. It sent him into extremes of behaviour that exposed just how conflicted his life had become. And it made him question everything he knew about himself, and about the way men and women live with and without each other. He would never be the same again. Searingly honest, compulsively readable, The Truth: An Uncomfortable Book about Relationships may have the same effect on you.

motley crue autobiography pdf: The Game Neil Strauss, 2012-05-01 Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These

men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

motley crue autobiography pdf: The Heroin Diaries Nikki Sixx, 2007 Set against the frenzied world of heavy metal superstardom, the cofounder of Motley Crue offers an unflinching and utterly gripping look at his own descent into drug addiction.

motley crue autobiography pdf: Rules of the Game Neil Strauss, 2012-05-01 If you want to play the Game, you've got to know the Rules. In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of *The Game*, and the world's No. 1 PUA, as Style. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, *The Stylelife Challenge*, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of *The Game*. *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox 30 Day Sex Experiment, *The Style Diaries* takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

motley crue autobiography pdf: Sheriff McCoy Andy McCoy, 2009 The last great rock 'n' roll memoir, Andy McCoy's autobiography covers the legendary guitarist's life and exploits from childhood through to the rekindling of his massively influential band, Hanoi Rocks, in the 2000s. McCoy helped introduce punk to Finland from an early age - and from their base in a Stockholm subway station, Hanoi Rocks embarked on a wild, death-defying, jet-setting thrill ride. Includes dozens of rare, candid photos and a new preface written by McCoy in 2009 after the final breakup of Hanoi Rocks.

motley crue autobiography pdf: The Game - out of print Neil Strauss, 2005-10-14 Nothing you have heard about *The Game* will prepare you for it. Neil Strauss reveals the bizarre world of the pick-up artist—men who devote their lives to mastering the techniques of seducing women. None of this is fiction. These men have their own vernacular and codes of honour, they trade strategies online, attend each other's seminars and live together in houses around the world they call Projects. New York Times and Rolling Stone journalist Neil Strauss spent two years traveling in what is known as the 'seduction community', a secret society of men committed to becoming pick-up artists (PUAs). Through Internet newsgroups and international workshops, he entered a world of bizarre and compelling characters—from charismatic leaders like Mystery and Ross Jeffries to the eccentric bachelors and arrested adolescents who followed their every lead. He spent night after night approaching countless new 'targets', until he had developed the ability to connect, almost immediately, with any woman who crossed his path. Within a matter of months, Neil Strauss—once a

self-described average frustrated chump (AFC)—had transformed himself into Style, the king of the PUAs. Hysterical and harrowing by turns, filled with cameos from Britney Spears, Paris Hilton, Tom Cruise, Courtney Love, Heidi Fleiss, and others, *The Game* is the story of what happens when one man harnesses the power to seduce the most desirable women in the world—only to find his own world come crashing down around him. A compulsively readable account of one man's discovery of the madness that lingers at the fringes of civilised interaction. It's dating, but not as we know it.
