neil labute plays download: In a Dark Dark House Neil LaBute, 2008-03-04 Two brothers meet on the grounds of a private psychiatric facility. Drew, has been court-confined for observation and has called his older brother, Terry, to corroborate his claim of childhood sexual abuse by a young man from many summers ago. Drew's request releases barely-hidden animosities between the two: Is he using these repressed memories to save himself while smearing the name of his brother's friend? Through pain and acknowledged betrayal, the brothers come to grips with and begin to understand the legacy of abuse, both inside and outside their family home. In a Dark, Dark House is the latest work from Neil LaBute, American theater's great agent provocateur. The play will have its world Premiere in May 2007, Off Broadway at New York's MCC Theater.

neil labute plays download: Things We Said Today Neil LaBute, 2025-09-25 Things We Said Today features the scripts for Neil LaBute's groundbreaking Directv project 10x10—a series of short films written and directed by LaBute based on ten compelling original monologues, five each for men and women. Also included are five short plays displaying the power and scope of Neil LaBute's creative vision. In Pick One, three white guys come up with a way to solve America's problems; in The Possible one young woman seduces another's boyfriend for an unexpected reason. Call Back features an actress and actor who spar about a past encounter that she, unnervingly, remembers much better than he does. Good Luck (In Farsi), a pleasingly astringent study in competitiveness and vanity (The New York Times) has two actresses pulling out all the stops in a preaudition psych out; and in Squeeze Play a father and his son's baseball coach strike a mutually beneficial deal. Rounding out the collection are two monologues commissioned as part of Centerstage's My America project.

neil labute plays download: Twenty-First Century Drama Siân Adiseshiah, Louise LePage, 2016-06-17 Within this landmark collection, original voices from the field of drama provide rich analysis of a selection of the most exciting and remarkable plays and productions of the twenty-first century. But what makes the drama of the new millenium so distinctive? Which events, themes, shifts, and paradigms are marking its stages? Kaleidoscopic in scope, Twenty-First Century Drama: What Happens Now creates a broad, rigorously critical framework for approaching the drama of this period, including its forms, playwrights, companies, institutions, collaborative projects, and directors. The collection has a deliberately British bent, examining established playwrights – such as Churchill, Brenton, and Hare – alongside a new generation of writers – including Stephens, Prebble, Kirkwood, Bartlett, and Kelly. Simultaneously international in scope, it engages with significant new work from the US, Japan, India, Australia, and the Netherlands, to reflect a twenty-first century context that is fundamentally globalized. The volume's central themes – the financial crisis, austerity, climate change, new forms of human being, migration, class, race and gender, cultural politics and issues of nationhood – are mediated through fresh, cutting-edge perspectives.

neil labute plays download: Exhibit 'A' Neil LaBute, 2015-12-15 In the title play, Exhibit 'A', an artist pushes the boundaries of his art to a previously untouched frontier, challenging the very definition of "art." 10K explores the territory where fantasy and desire merge, as a man and woman share secrets while traversing a suburban jogging path. Here We Go Round the Mulberry Bush is a tense confrontation between two men in a park. In Happy Hour, a guy and a gal meet cute in a bar. I'm Going To Stop Pretending (That I Didn't Break Your Heart) lays bare a couple at the bitter end of

a relationship, where devastation and loss for one is freedom and inevitability for the other. *16 Pounds* is a bleak, near-future look at water scarcity; *BFF* is the stage adaptation of LaBute's short film about three "friends"; *Black Girls* takes a white guy and a black girl through a wildly uncomfortable conversation; *Some White Chick* and *The Unimaginable* are two chillers written for Southwark Playhouse's *TERROR! Festival*; and the monologue *Totally* is a young woman's sex revenge confession like no other.

neil labute plays download: This Is How It Goes Neil LaBute, 2005-03-05 Belinda and Cody Phipps appear a typical Midwestern couple: teenage sweethearts, children, luxurious home. Typical except that Cody is black--rich, black, and different, in the words of Belinda, who finds herself attracted to a former (white) classmate. As the battle for her affections is waged, Belinda and Cody frankly doubt the foundation of their initial attraction, opening the door wide to a swath of bigotry and betrayal. Staged on continually shifting moral ground that challenges our received notions about gender, ethnicity, and even love itself, *This Is How It Goes* unblinkingly explores the myriad ways in which the wild card of race is played by both black and white in America.
