What Defines a Paranormal Fiction Series?

Paranormal fiction series are narrative works that span multiple volumes, centering around supernatural phenomena that defy scientific explanation. Unlike standalone novels, these series develop characters and storylines across several books, allowing for deeper exploration of the paranormal world. Common elements include encounters with ghosts, communication with spirits, interactions with mythical creatures, and the existence of magic. The genre combines aspects of horror, fantasy, mystery, and romance, creating an immersive experience for readers.

Series in this genre often feature protagonists who possess unique abilities or are drawn into supernatural events against their will. The ongoing nature of a series allows for complex character arcs and evolving relationships with the supernatural. The settings may vary from contemporary cities to historical periods or entirely fictional worlds, but the constant factor is the presence of phenomena beyond normal human experience. Paranormal fiction series cater to a wide audience, appealing to fans of suspense, adventure, and the unknown.

The Evolution and History of Paranormal Fiction Series

The roots of paranormal fiction series can be traced back to Gothic literature and early supernatural tales from the 18th and 19th centuries. Classics such as Mary Shelley's "Frankenstein" and Bram Stoker's "Dracula" laid the groundwork for generational storytelling featuring monsters and unexplained phenomena. Over time, the genre evolved to incorporate recurring characters and ongoing narratives, giving rise to series formats.

In the late 20th century, the rise of urban fantasy and young adult fiction expanded the reach of paranormal series. Authors began to blend the supernatural with everyday life, integrating romance, action, and mystery. Notable series like "The Vampire Chronicles" by Anne Rice and "The Southern Vampire Mysteries" by Charlaine Harris brought vampires and other supernatural beings into modern settings, further popularizing the genre. The digital age and the growth of self-publishing platforms have enabled even more writers to contribute to the diverse landscape of paranormal fiction series.

Popular Paranormal Fiction Series and Their Impact

Several paranormal fiction series have achieved mainstream success and influenced the genre's direction. These series stand out for their compelling storytelling, memorable characters, and rich world-building. They have attracted devoted fan bases and inspired adaptations for television, film, and graphic novels.

- **The Vampire Chronicles by Anne Rice:** This iconic series explores the lives, loves, and politics of vampires, offering philosophical reflections alongside gothic horror.
- **The Mortal Instruments by Cassandra Clare:** Centered around Shadowhunters who battle demons in a hidden magical world, this young adult series blends action, romance, and supernatural intrigue.
- **The Southern Vampire Mysteries by Charlaine Harris:** Famous for inspiring the TV show "True Blood," this series follows telepath Sookie Stackhouse as she navigates vampires, shapeshifters, and fairies in rural Louisiana.
- **The Dresden Files by Jim Butcher:** Featuring wizard detective Harry Dresden, this urban fantasy series mixes magic, crime-solving, and supernatural creatures in modern-day Chicago.
- **The Women of the Otherworld by Kelley Armstrong:** This series focuses on women with supernatural abilities, exploring themes of identity, community, and power.

These series have not only entertained millions but also set trends within the genre, influencing new authors and expanding the possibilities for storytelling in paranormal fiction.

Key Themes and Tropes in Paranormal Fiction Series

Paranormal fiction series are distinguished by recurring themes and tropes that shape their narratives. These elements help create a sense of mystery and wonder, as well as emotional depth. Some of the most prevalent themes include:

1. **The Battle Between Good and Evil:** Supernatural entities often represent forces of light and darkness, with protagonists caught in the struggle.
2. **Identity and Transformation:** Characters may discover hidden powers or struggle with their supernatural nature, prompting journeys of self-discovery.
3. **Forbidden Love:** Romance across supernatural boundaries, such as human-vampire or witch-werewolf relationships, adds tension and drama.
4. **Secret Societies:** Many series feature covert organizations dedicated to fighting or preserving the paranormal.
5. **Urban vs. Rural Settings:** The contrast between bustling cities and isolated countryside often heightens the sense of danger and mystery.

Common tropes include haunted houses, magical artifacts, ancient curses, and the skeptical outsider drawn into the supernatural world. These motifs provide structure to the stories while allowing for creative twists and character development.

How to Choose the Right Paranormal Fiction Series

With so many options available, selecting the right paranormal fiction series can be daunting. Readers should consider their preferences in terms of tone, setting, and supernatural elements. Some series focus heavily on romance, while others prioritize mystery, action, or horror. Age appropriateness is also important, as some series are aimed at young adults while others target mature audiences.

When choosing a series, it's helpful to read reviews, sample the first book, and identify recurring themes that resonate personally. Paying attention to the author's writing style and world-building can enhance enjoyment. Series with interconnected storylines and well-developed characters often provide the most satisfying reading experience. Additionally, exploring spin-offs or related works can deepen engagement with a favorite paranormal universe.

The Influence of Paranormal Fiction Series on Popular Culture

Paranormal fiction series have had a profound impact on popular culture, inspiring numerous adaptations and shaping public perceptions of the supernatural. Television shows, movies, and graphic novels based on these series have reached global audiences, further expanding the genre's

popularity. Iconic characters and phrases from paranormal fiction have entered mainstream discourse, and fan communities continue to celebrate and reinterpret their favorite stories.

The genre's influence extends to fashion, music, and even tourism, with themed events and locations attracting enthusiasts. Paranormal fiction series have encouraged readers to explore folklore, mythology, and the boundaries of reality, fostering curiosity and creativity. As new authors enter the field and innovative series emerge, the genre continues to evolve, reflecting changing social attitudes and technological advances.

Conclusion

Paranormal fiction series remain a vibrant and dynamic part of contemporary literature, offering readers thrilling adventures, emotional journeys, and thought-provoking mysteries. Their enduring appeal lies in the blending of the familiar and the fantastical, inviting audiences to imagine worlds where the supernatural is possible. With a rich history, diverse themes, and ongoing innovation, paranormal fiction series will continue to enchant and inspire for generations to come.

Q: What makes a paranormal fiction series different from other genres?

A: Paranormal fiction series stand out by featuring supernatural elements such as ghosts, vampires, witches, and other entities that exist alongside the normal world. Unlike other genres, these stories focus on unexplained phenomena and often blend mystery, fantasy, and suspense over multiple books.

Q: Are paranormal fiction series suitable for young readers?

A: Many paranormal fiction series are written specifically for young adults, featuring age-appropriate themes and characters. However, some series contain mature content, so it's important to check the target audience before reading.

Q: What are some of the most popular paranormal fiction series?

A: Notable examples include "The Vampire Chronicles" by Anne Rice, "The Mortal Instruments" by Cassandra Clare, "The Southern Vampire Mysteries" by Charlaine Harris, and "The Dresden Files" by Jim Butcher.

Q: Why do paranormal fiction series often include romance?

A: Romance is a common theme in paranormal fiction series because it adds emotional depth and tension, especially when characters from different supernatural backgrounds fall in love or face obstacles due to their unique abilities.

Q: How has the paranormal fiction series genre evolved over time?

A: The genre has shifted from gothic and horror roots to include urban fantasy, young adult fiction, and complex multi-book narratives. Modern series often blend the supernatural with contemporary settings and diverse character arcs.

Q: What are some common tropes found in paranormal fiction series?

A: Common tropes include haunted houses, magical artifacts, hidden societies, forbidden love, and protagonists discovering or struggling with supernatural powers.

Q: Can paranormal fiction series be adapted into TV or movies?

A: Yes, many successful series have been adapted for television and film, such as "True Blood" (from "The Southern Vampire Mysteries") and "Shadowhunters" (from "The Mortal Instruments").

Q: What is the appeal of reading paranormal fiction series?

A: Readers are drawn to the genre for its blend of mystery, adventure, emotional stakes, and the imaginative exploration of worlds where supernatural events and entities are possible.

Q: How can readers find new paranormal fiction series to enjoy?

A: Readers can explore book reviews, bestseller lists, recommendations from online communities, and sample the first book in a series to determine if it suits their interests.

Q: Do paranormal fiction series always focus on horror themes?

A: No, while some series include horror elements, many focus on romance, mystery, adventure, or fantasy, offering a wide variety of tones and storylines within the paranormal genre.

Crawford, Wendy Wang and Tia Didmon will love this pwf series!

paranormal fiction series: *The Horror Sensorium* Angela Ndaliansis, 2012-10-03 Horror films, books and video games engage their audiences through combinations of storytelling practices, emotional experiences, cognitive responses and physicality that ignite the sensorium--the sensory mechanics of the body and the intellectual and cognitive functions connected to them. Through analyses of various mediums, this volume explores how the horror genre affects the mind and body of the spectator. Works explored include the films 28 Days Later and Death Proof, the video games Resident Evil 4 and Doom 3, the theme park ride The Revenge of the Mummy, transmedia experiences associated with The Dark Knight and True Blood, and paranormal romance novels featuring Anita Blake and Sookie Stackhouse. By examining how these diverse media generate medium-specific corporeal and sensory responses, it reveals how the sensorium interweaves sensory and intellectual encounters to produce powerful systems of perception.

paranormal fiction series: *Writing the Fiction Series* Karen S. Wiesner, 2013-05-02 The definitive guide to crafting a series! From the Hunger Games Trilogy to the Jack Reacher series, from Harry Potter to Harry Dresden, there's no denying that writers--and readers--have caught series fever. But if you're contemplating writing a series, there are plenty of considerations you'll need to make first. Writing the Fiction Series is the complete guide to ensuring your series stays hot after the first, fourth, or even fifteenth book. Inside, you'll learn how to: • Write a series that captures the hearts of readers and stands out in a sea of competition. • Find the focus of your series,

develop your idea, and plan ahead. • Hone in on the two most important aspects of series writing: characters and consistency. • Utilize a variety of series organization techniques, complete with downloadable worksheets and checklists. • Market your series effectively and increase your sales. With insights from nearly 100 series authors and publishers, as well as Grow Your Series Muscles exercises, *Writing the Fiction Series* is the only book you'll need to write a series that sizzles.

paranormal fiction series: *The Paranormal and the Paranoid* Aaron Gulyas, 2015-06-11

Toward the end of the twentieth century, science fiction television took a dark turn. Series like *The X-Files*, *Millennium*, and *Dark Skies* wove menacing technologies, paranormal forces, and shadowy government agencies into complex tales of corruption and cover-ups. Mind control, alien abductions, secret government laboratories, and implacable “men in black” moved from the fringes to the mainstream of American culture, making weekly appearances in living rooms everywhere. Other series that played on fears of new technologies—such as virtual reality—set the stage for unfamiliar kinds of exploitation, while *Dark Angel* offered glimpses of a near-future wasteland devastated by a technological catastrophe. In *The Paranormal and the Paranoid: Conspiratorial Science Fiction Television*, Aaron John Gulyas explores the themes that permeated and defined science fiction television at the turn of the millennium. The author traces the roots of this phenomenon in an earlier generation of series including *The Invaders*, *Kolchak: The Night Stalker*, and *Project U.F.O.* and examines how changes in the cultural landscape led to the proliferation of these types of shows. This book delves into the internal mythology of shows like *The X-Files*, resurrects now-forgotten series like *Wild Palms* and *VR.5*, and provides an important glimpse into American culture at the close of the twentieth century. While exploring the pervasive grimness of these shows, Gulyas also examines how they offer hope in the form of heroes—like agents Scully and Mulder—who relentlessly dug through the tissue of lies and distortions to find and expose the truth. *The Paranormal and the Paranoid* will appeal to scholars of media studies, sociology, and science fiction—not to mention fans of these programs and even conspiracy theorists.

paranormal fiction series: *My Midlife Magic Knight: A Steamy Paranormal Mystery* Jennifer L.

Hart, 2025-08-04 Book 2 in the sizzling small town midlife mystery series! *Amnesiac*. Ghost whisperer. Hero? Emma Bishop is about to go on the ride of her midlife. I thought I had a handle on my chaotic midlife. Running the Pages & Potions bookshop, chatting with the resident ghost, and navigating a complicated, telepathic relationship with a devilishly handsome demon? All in a day's work. But when a sinister force begins possessing local men to kill the women they desire, I realize my midlife glow-up involves battling a supernatural serial killer. With a sassy spectral sidekick, a protective necromancer who cancels dates more than he keeps, and a smoldering demon demanding forever, I'm starting to believe that some secrets should stay buried. Especially when unearthing them puts everyone I love in the killer's sights. Will I uncover the truth and stop a murderer before my quiet life—and my budding love life—go up in flames? *My Midlife Magic Knight* is the second book in the Pages & Potions paranormal women's fiction series. If you enjoy captivating stories of secrets, suspense, and novels featuring characters over forty, you don't want to miss USA Today bestselling author Jennifer L. Hart's enchanting tale. Buy *My Midlife Magic Knight* and ride to the rescue now! Fans of KF Breene, Brenda Trim, and Robyn Peterman will love this scorching midlife series!

paranormal fiction series: *Paranormal Media* Annette Hill, 2010-11-05

The paranormal has gone mainstream. Beliefs are on the rise, with almost half of the British population, and two thirds of Americans, claiming to believe in extra sensory perceptions and hauntings. Psychic magazines like *Spirit* and *Destiny*, television shows such as *Fringe*, *Ghost Whisperer* and *Most Haunted*, ghost-cams and e-poltergeists, bestselling books on mind, body and spirit, and magicians like Derren Brown have moved from the outer limits to the centre of popular culture, turning paranormal beliefs and scepticism into revenue streams. *Paranormal Media* offers a unique, timely exploration of the extraordinary, unexplained and supernatural in popular culture, looking in unusual places in order to understand this phenomenon. Early spirit forms such as magic lantern shows or the spirit photograph are re-imagined as a search for extraordinary experiences in reality TV, ghost tourism,

and live shows. Through a popular cultural ethnography, and critical analysis in social and cultural theory, this ground-breaking book by Annette Hill presents an original and rigorous examination of people's experiences of spirits and magic. In popular culture, people are players in an orchestral movement about what happens to us when we die. In a very real sense the audience is the show. This book is the story of audiences and their participation in a show about matters of life and death. Paranormal Media will be a highly interesting read for undergraduate and postgraduate students, as well as academics, on a wide range of television, media, cultural studies, and sociology courses.

paranormal fiction series: *Cougars and Cauldrons A Why Choose Steamy Paranormal Romance Collection* Jennifer L. Hart, 2024-10-18 Get this complete midlife magic scorching series by USA Today bestselling Author Jennifer L. Hart! Samantha Sinclair is more than a midlife MS patient. paranormal fiction series: Kingmaker's Kiss: A Why Choose YA/New Adult Paranormal Fantasy Bully Romance Rachel Angel, 2020-05-18 As Violet Kingsbury, I was born to be a kingmaker. In a time when wars were common and thrones were fought after, the only name that could bring about peace...the only man that could trump the decrees of kings was Kingsbury. The Kingmaker. But when the legendary Kingmaker is disposed, and the time of the Choosing has come, can I, the daughter of The Kingmaker rise to take the place of my father? I am about to find out as the strongest, most capable, and most legendary princes across the lands come to challenge me for the Choosing including 4 of the most handsome princes who not only wants to win, but want to win me, too: Avery Axel Reggie Ollie Becoming Kingmaker, even as The Kingmaker's daughter, will not be easy in a male world where ladies were supposed to be damsels who needed saving. To become Kingmaker, I will prove to all, especially the princes, that I am here to stay, and will be the one doing the saving. **Kingmaker's Kings is the first book in the Kingmakers of Kingsbury Series, a Reverse Harem Bully Romance with mixed genres elements, action, and mature scenes recommended for age 18 and up. This is a Why Choose romance, a romance subgenre which means there are three or more romantic interests for the heroine

paranormal fiction series: Of Sex and Faerie: further essays on Genre Fiction John Lennard, 2010 Taking up where *Of Modern Dragons* (2007) left off, these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades, including work by Bill James, Walter Mosley, Lois McMaster Bujold, and Ursula K. Le Guin. There are groundbreaking studies of contemporary paranormal romance, and of Hornblower's transition to space, while the final essay deals with the phenomenon and explosive growth of fanfiction, and with the increasingly empowered status of the reader in a digital world. There is an extensive bibliography of genre and critical work, with eight illustrations. John Lennard is Director of Studies at Hughes Hall, Cambridge and has also taught for the Universities of London, Notre Dame, and for the Open University, and was Professor of British & American Literature at the University of the West Indies-Mona, 2004-09. *Of Modern Dragons and other essays on genre fiction* (2007), is also available from Lulu.

paranormal fiction series: Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans

searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

paranormal fiction series: *Daniel's Fate A Ghost Story Ends* G.W. Mullins, 2019-10-14 Daniel walked in the land of the Dead. Now the Dead want him back. As the dark ones came for Daniel, he was forced to take refuge in the light, the last place he wanted to be. There, he was to decide his own fate. Staying in the light and ascending meant Jen would be left defenseless. If he chose being human again, the dark ones would have the power to take over the world. As Daniel made his decision, the dead began to rise. The dark ones were coming forward to block the light and create hell on earth. Death is only the beginning...

paranormal fiction series: *Mastering Fear* Rikke Schubart, 2018-07-12 *Mastering Fear* analyzes horror as play and examines what functions horror has and why it is adaptive and beneficial for audiences. It takes a biocultural approach, and focusing on emotions, gender, and play, it argues we play with fiction horror. In horror we engage not only with the negative emotions of fear and disgust, but with a wide range of emotions, both positive and negative. The book lays out a new theory of horror and analyzes female protagonists in contemporary horror from child to teen, adult, middle age, and old age. Since the turn of the millennium, we have seen a new generation of female protagonists in horror. There are feisty teens in *The Vampire Diaries* (2009–2017), troubled mothers in *The Babadook* (2014), and struggling women in the New French extremity with *Martyrs* (2008) and *Inside* (2007). At the fuzzy edges of the genre are dramas like *Pan's Labyrinth* (2006) and *Black Swan* (2010), and middle-age women are now protagonists with Carol in *The Walking Dead* (2010–) and Jessica Lange's characters in *American Horror Story* (2011–). Horror is not just for men, but also for women, and not just for the young, but for audiences of all ages.

paranormal fiction series: *Drifters' Alliance, Book 1* Elle Casey, 2015-06-01 NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers Book 1 of DRIFTERS' ALLIANCE, an ongoing Science Fiction Space Opera series. One hand of cards and it's all over but the crying... Cass Kennedy finally gets what she's been dreaming of for the past ten years: a drifter ship to call her own. All the sim time and battle training is going to pay off in spades as she sets her course for the future. She'll be living on her own terms, not those of her father. But drifting through deep space with a crew of nutty strangers on the DS Anarchy carries a lot more surprises than she bargained for. Nobody told her that her ship is falling apart, that dead chickens are something you really want to hang on to, and that the OSG has big plans for the universe that don't necessarily jibe with her plans for herself. Jump onboard with Cass and her crew as she charts a course toward an alliance that will either make her or break her as Captain of the DS Anarchy. SERIES: This is Book 1 in an ongoing series. Books 2 and 3 are now available. More books coming for this series in 2016! GENRE: Science Fiction, Space Opera AUDIENCE: For older teens and adults CONTENT WARNING: Colorful language, sexy stuff, and general badassery HERE'S WHAT READERS ARE SAYING ABOUT DRIFTERS' ALLIANCE, BOOK 1: "I couldn't put it down! The feel of the story reminded me of FIREFLY! So for you sci fi geeks like me I would say this book is SHINEY! for everyone else its a great story and I enjoyed it a lot. I highly recommend buying it, you won't be sorry." ~ Deanna, Amazon reviewer "Page turner... Just like with other books by Elle Casey once I picked this book up I couldn't put it down and before I knew it I was done... I can't wait to see what happens next. In fact I have already pre-ordered book 2. Happy reading." ~ Jana La Pelle, Goodreads reviewer "Drifters' Alliance is very different than Elle Casey's other work, but it is still just as amazing! Elle has a talent for making the characters come alive... I can't wait for the next book in this series. If you have never read sci-fi or space operas before this is the one to start with!" ~ Ken Kennedy, Goodreads reviewer "Hooked! Absolutely, positively LOVED it! Devoured it in a few hours

and now I'm craving more. As usual, with Elle's strong writing and blend of humor packed into a butt-kicking female heroine, you're going to get a great story. Also typical of her writing, it will be easy to get lost in this world." ~ Laura Shipp, Amazon reviewer

paranormal fiction series: *Beyond Delicious: The Ghost Whisperer's Cookbook* Mary Ann Winkowski, David Powers, 2011-09-13 Mary Ann Winkowski's abilities as a paranormal investigator have offered solace to countless people, either by reuniting them with loved ones who have died or by removing unwanted spirits and negative energy from homes, businesses or possessions. *Beyond Delicious: The Ghost Whisperer's Cookbook* is a collection of recipes bequeathed to Mary Ann through spirits of great cooks who have passed on. Arranged as two-page spreads, each entry includes a recipe as well as the story of how the author came to learn it. *Beyond Delicious: The Ghost Whisperer's Cookbook* is part cookbook and part ghost story anthology; together, these elements create the most entertaining cookbook of the season.

paranormal fiction series: *Snake Sisters and Ghost Daughters* Cathy Yue Wang, 2023-08-29 Politics and paradigm shifts underlying contemporary retellings of fantastic traditional Chinese tales. Contemporary Chinese film and literature often draw on time-honored fantastical texts and tales which were founded in the milieu of patriarchy, parental authority, heteronormativity, nationalism, and anthropocentrism. Author Cathy Yue Wang examines the processes by which modern authors and filmmakers reshape these traditional tales to develop new narratives that interrogate the ingrained patriarchal paradigm. Through a rigorous analysis, Wang delineates changes in both content and narrative that allow contemporary interpretations to reimagine the gender politics and contexts of the tales retold. With a broad transmedia approach and a nuanced understanding of intertextuality, this work contributes to the ongoing negotiation in academic and popular discourse between past and present, traditional and contemporary, and text and reality in a globalized and postmodern world. *Snake Sisters and Ghost Daughters* offers an engaging interdisciplinary investigation of issues at the heart of these traditional tales such as gender and status hierarchy, marriage and family life, and in-group/out-group distinction. Beyond the content of these individual stories, Wang ties these narratives together across time using cognitive literary criticism, especially affective narratology, to shed new light on the adaptation of literary and cultural texts and their sociopolitical contexts.

paranormal fiction series: *Supernatural Out of the Box* Lisa Macklem, Dominick Grace, 2020-07-31 *Supernatural* is one of the most successful horror TV shows ever, providing fifteen seasons of the adventures of Dean and Sam Winchester as they hunt monsters and save the world. It has nurtured a passionate fan base, which has been far more directly integrated into the show than is typical. Wry and self-aware, *Supernatural* repeatedly breaks out of the televisual box to acknowledge its fans and its own fictionality. Though there have already been several studies of *Supernatural*, this volume is the first to focus extensively and intensively on the show's metafictional elements. This essay collection argues that *Supernatural* is not merely a horror show, but is a show about how horror works as a genre, and how fans interact with their favorite material. From exploring how the show has equated authorship with divinity, to considering its incorporation of fandom and closely reading several key episodes, the essays in this volume seek to examine the multiple layers of textuality found in *Supernatural*.

paranormal fiction series: *Ancient Ghost Book No. 2* Cowboy Bart Jeppesen, 2013-05-17 Testimonials from those that have had the benefit of working with Cowboy Bart Jeppesen "In 2006 I enjoyed an exciting weekend with Bart. He showed me rocks made into symbols and symbols chipped into rocks. Siglas the Spaniards called them. They convey a universal language and speak of mysterious mines and hidden treasures. For those in the know, like Bart, they talk of the riches of the north slopes of the Uintah Mountains. While on his road of discovery Bart has uncovered and interpreted a vast number of symbols. I look forward, with anticipation, to his insights and understanding of these symbols. " From a fellow author: Dale Bascom "Following the Legends" Website: Slimsgold.com Amazon.com <http://amzn.to/RmXkJr> "I first met Bart on a Treasure Hunters Forum. I observed his excellent comments on other questions and decided to contact him with some

of my questions. I was a neophyte treasure hunter in search of several treasures in the Caballo mountains of New Mexico. I had found quite a few treasure symbols, but I had no idea what they meant. I sent photos of these monuments and photos of the surrounding area to Bart. He sent them back to me all marked up. He could see things the Spanish had done in the landscape around the monuments.. It was then that I realized that Bart had a very unique talent. He had researched thousands of symbols.. This became helpful in deciphering maps of area. The problem was that most of the symbols had been lost to time. The trails were all broken. But Cowboy Bart could still follow them.” ~Mark Palmer - South Western USA “Cowboy Bart and I first connected back in 2009 when he contacted Sacred Science Institute regarding a diagram on our website from our recent translation of St. Yves de D’Alveydre’s Archeometer (diagram can be found at this link: www.Sacredscience.com/archive/ArcheometerDiagrams.htm). He mentioned that he used esoteric symbols as schematics to hunt for hidden treasure concealed within a framework of symbolic codes. I had never heard of anyone doing this before and thought it a fascinating subject and application of esoteric knowledge. I was unaware that many old hidden treasures, buried by Templar’s or hidden by past societies, were marked with such codes which could be traced by those initiated into the secret tradition. I encouraged Cowboy Bart to write a book about this fascinating subject, and still look forward to him doing so...” ~W. Bradstreet Stewart, Director Sacred Science Institute www.sacredscience.com

paranormal fiction series: The Librarian's Vampire Assistant Mimi Jean Pamfiloff, 2018-02-22 From New York Times Bestseller Mimi Jean Pamfiloff comes a Horribly Sunny Mystery, The Librarian’s Vampire Assistant. NOBODY MESSES WITH HIS LIBRARIAN. . . Who killed Michael Vanderhorst’s maker? It’s a darn good question. But when the trail brings Michael to hellishly sunny Phoenix, Arizona, his biggest problem soon becomes a cute little librarian he can’t seem to stay away from. He’s never met a bigger danger magnet! Even her book cart has it out for her. And is that the drug cartel following her around, too? “Dear God, woman! What have you gotten yourself into?” Things go from bad to worse when local vampires won’t play nice. Can this four-hundred-year-old vampire keep his librarian safe and himself out of hot water? Can he bring his maker’s killer to justice? Yesterday, he would’ve said yes. But yesterday, he didn’t have a strange connection with a librarian. Yesterday, people weren’t trying to kill her.

paranormal fiction series: *Down These Strange Streets* George R. R. Martin, Gardner Dozois, 2011-10-04 In this collection of urban fantasy stories, editors George R. R. Martin and Gardner Dozois explore the places where mystery waits at the end of every alley and where the things that go bump in the night have something to fear... In “Death by Dahlia,” #1 New York Times bestselling author Charlaine Harris takes vampire Dahlia Lynley-Chivers to a lavish party that turns deadly. And with so many creatures of the night in attendance, Dahlia will have a hard time identifying the most likely suspect! #1 New York Times bestselling author Patricia Briggs thrills in “In Red, with Pearls,” as a werewolf PI races to crack a case involving zombies, witches, and the most horrifying creatures of them all—lawyers. In “Lord John and the Plague of Zombies,” New York Times bestselling author Diana Gabaldon follows Lord John as he journeys to the beautiful but faintly sinister island paradise of Jamaica, where he’s soon investigating a mystery with no shortage of spiders, snakes, revolutionaries, and, of course, zombies. With these and thirteen more original tales, *Down These Strange Streets* takes you to the cities where fantasy and mystery collide and where private eyes who have seen it all find something lurking that is stranger still...
