This work is the first full-length biography of actress Anna Maria Pierangeli, from her early life in Italy to her death at the age of 39. She was discovered by Vittorio De Sica and soon after starred in her first film, Domani e troppo tardi (Tomorrow Is Too Late), which began her meteoric rise to fame in Italy. She arrived in Hollywood in 1950 at the age of 18, and the first thing MGM did was change her name to Pier Angeli and predict great things for its newest actress. The book covers her seven year career with MGM, her two unhappy marriages to Vic Damone and Armando Trovajoli, her love for her children Perry and Andrew, her brief and stormy relationship with James Dean, her dependent relationships with her mother and such stars as Kirk Douglas, Richard Attenborough and Debbie Reynolds, and the mystery surrounding her death.

pier angeli movies: Film Fatales Tom Lisanti, Louis Paul, 2002-04-10 Sean Connery began the sixties spy movie boom playing James Bond in Dr. No and From Russia with Love. Their success inspired every studio in Hollywood and Europe to release everything from serious knockoffs to spoofs on the genre featuring debonair men, futuristic gadgets, exotic locales, and some of the world's most beautiful actresses whose roles ranged from the innocent caught up in a nefarious plot to the femme fatale. Profiled herein are 107 dazzling women, well-known and unknown, who had film and television appearances in the spy genre. They include superstars Doris Day in Caprice, Raquel Welch in Fathom, and Ann-Margret in Murderer's Row; international sex symbols Ursula Andress in Dr. No and Casino Royale, Elke Sommer in Deadlier Than the Male, and Senta Berger in The Spy with My Face; and forgotten lovelies Greta Chi in Fathom, Alizia Gur in From Russia with Love, and Maggie Thrett in Out of Sight. Each profile includes a filmography that lists the actresses' more notable films. Some include the actresses' candid comments and anecdotes about their films and television shows, the people they worked with, and their feelings about acting in the spy genre are offered throughout. A list of websites that provide further information on women in spy films and television is also included.

pier angeli movies: 101 Forgotten Films Brian Mills, 2010-10-20 Somewhere in the labyrinth of our memories are films that we have seen and cannot forget but frustratingly may never see again because they have mysteriously vanished from the public domain. They may be hidden away in a film

studio's vault, buried beneath the floorboards of a filmmaker's home, imprisoned by some ancient legality, refused release at a director's whim or simply not optioned by a distributor. This book brings back to life 101 films that are entombed in a cinema cemetery and in so doing unearths a film noir masterpiece, a French classic, a Mastroianni feature comparable to *Cinema Paradiso*, a pioneering Independent film of the fifties, a Joan Crawford headliner, an amazing Nicholas Ray experimental feature, Italian comedies by Nichetti and lost gems by Widerberg, Hitchcock, Lang, Ford, Lubitsch, Litvak, Dmytryk, Kazan, Cacoyannis, Boetticher, Zinnemann, Ray, Huston and many more luminaries of the silver screen. No film is guaranteed a general release whether screened at Sundance or Cannes and though critics may acclaim them, audiences applaud them, too many disappear into oblivion. This book pays homage to those lost films that deserve to be exhibited beyond the screen of our mind.

pier angeli movies: James Dean Transfigured Claudia Springer, 2013-05-17 After the death of James Dean in 1955, the figure of the teen rebel permeated the globe, and its presence is still felt in the twenty-first century. Rebel iconography—which does not have to resemble James Dean himself, but merely incorporates his disaffected attitude—has become an advertising mainstay used to sell an array of merchandise and messages. Despite being overused in advertisements, it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways. The rebel figure has mass appeal precisely because of its ambiguities; it can mean anything to anyone. The global appropriation of rebel iconography has invested it with fresh meanings. Author Claudia Springer succeeds here in analyzing both ends of the spectrum—the rebel icon as a tool in upholding capitalism's cycle of consumption, and as a challenge to that cycle and its accompanying beliefs. In this groundbreaking study of rebel iconography in international popular culture, Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought-provoking ways. Using a cultural studies approach, she analyzes films, fiction, poems, Web sites, and advertisements to determine the extent to which the icon's adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world.

Lurid, raunchy, perceptive, and certainly worth reading, it's one of the best show-biz biographies of the year. --London's Sunday Times. *Brando Unzipped* received an Honorable Mention from Foreword Magazine in its Book of the Year competition, and it won a Silver Ippy award for Best Biography from the Independent Publisher's Association.

pier angeli movies: *The Hollywood Book of Breakups* James Robert Parish, 2010-12-20 Half of all marriages end in divorce--and then there are the really unhappy ones. --Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind? Why watch a romantic film starring a leading man and a leading lady when their real-life romances are so much more interesting? It seems that a celebrity's latest film can have a considerably longer life span in the theater than his or her marriage du jour. One would almost think that Tinseltown has come to embrace divorce as an accepted pastime. Some celebrities have seemingly collected spouses over the years, systematically adding notches in their belts of divorces. Cases in point: Zsa Zsa Gabor (nine), Lana Turner (eight), Elizabeth Taylor (nine), and Mickey Rooney (eight). This list appears to make Jennifer Lopez a mere novice with only three marriages, two divorces, and one terminated engagement to date. In *The Hollywood Book of Breakups*, James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart. From the decade-long union of Tom Cruise and Nicole Kidman to the just-for-show nuptials of Rock Hudson and Phyllis Gates to the four-and-a-half-year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher, Parish covers it all--from the burning embers to the fizzling fires of Hollywood breakups. You couldn't make this stuff up--and James Robert Parish doesn't need to. Hollywood writes its own drama when it comes to scandalous breakups.

pier angeli movies: *American International Pictures* Rob Craig, 2019-03-05 American International Pictures was in many ways the missing link between big-budget Hollywood studios, poverty-row B-movie factories and low-rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror and fantasy, but soon grew to encompass many genres and demographics--at times, it was indistinguishable from many of the major studios. From Abby to Zontar, this filmography lists more than 800 feature films, television series and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television (the TV arm of AIP) and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.

pier angeli movies: *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Zinnemann's fifty-year career includes twenty-two feature films, which are characterized by an unshakable belief in human dignity, a preoccupation with moral and social issues, a warm and sympathetic treatment of character, and consummate technical artistry. In discussing such issues as the role of Zinnemann's documentary aesthetic throughout his career, the relationship between his life and his art, his use and construction of history, and the central importance of women characters in his films, The Films of Fred Zinnemann lends new perspectives to the work of a major filmmaker and makes a significant contribution to the study of American cinema.

pier angeli movies: Tough as Nails Douglass K. Daniel, 2011-04-08 Called "God's angry man" for his unyielding demands in pursuit of personal and artistic freedom, Oscar-winning filmmaker Richard Brooks brought us some of the mid-twentieth century's most iconic films, including Blackboard Jungle, Cat on a Hot Tin Roof, Elmer Gantry, In Cold Blood, and Looking for Mr. Goodbar. "The important thing," he once remarked, "is to write your story, to make it believable, to make it live." His own life story has never been fully chronicled, until now. Tough as Nails: The Life and Films of Richard Brooks restores to importance the career of a prickly iconoclast who sought realism and truth in his films. Douglass K. Daniel explores how the writer-director made it from the slums of Philadelphia to the heights of the Hollywood elite, working with the top stars of the day, among them Humphrey Bogart, Cary Grant, Elizabeth Taylor, Jean Simmons, Sidney Poitier, Sean Connery, Gene Hackman, and Diane Keaton. Brooks dramatized social issues and depicted characters in conflict with their own values, winning an Academy Award for his Elmer Gantry screenplay and earning nominations for another seven Oscars for directing and screenwriting. Tough as Nails offers illuminating insights into Brooks's life, drawing on unpublished studio memos and documents and interviews from stars and colleagues, including Poitier, director Paul Mazursky, and Simmons, who was married to Brooks for twenty years. Daniel takes readers behind the scenes of Brooks's major films and sheds light on their making, their compromises, and their common threads. Tough as Nails celebrates Brooks's vision while adding to the critical understanding of his works, their flaws as well as their merits, and depicting the tumults and trends in the life of a man who always kept his own compass. pier angeli movies: Napoli/New York/Hollywood Giuliana Muscio, 2018-10-30 This cinema history illuminates the role of southern Italian performance traditions on American movies from the silent era to contemporary film. In Napoli/New York/Hollywood, Italian cinema historian Giuliana Muscio investigates the significant influence of Italian immigrant actors, musicians, and directors on Hollywood cinema. Using a provocative interdisciplinary approach, Muscio demonstrates how these artists and workers preserved their cultural and performance traditions, which led to innovations in the mode of production and in the use of media technologies. In doing so, she sheds light on the work of generations of artists, as well as the cultural evolution of "Italian-ness" in America over the past century. Muscio examines the careers of Italian performers steeped in an Italian theatrical culture that embraced high and low, tragedy and comedy, music, dance, acrobatics, naturalism, and improvisation. Their previously unexplored story—that of the Italian diaspora's influence on American cinema—is here meticulously reconstructed through rich primary sources, deep archival research, extensive film analysis, and an enlightening series of interviews with heirs to these traditions, including Francis Coppola and his sister Talia Shire, John Turturro, Nancy Savoca, James Gandolfini, David Chase, Joe Dante, and Annabella Sciorra.
