play drift boss online: Write Your Story Allison Fallon, 2024-05-07 Allison Fallon's Write Your Story provides a simple framework that will help readers capture, in writing, the depth of life events and, in turn, to make sense of their lives. Once you understand yourself and your life, you will live with more purpose and confidence. We've all spent seasons reacting to the world around us, as though the world were telling a story and we were simply the audience, bystanders watching it all happen. The result: a life of regret and a feeling that we missed our purpose. Author Allison Fallon has led thousands of people just like you to find greater meaning by helping them write their story. She's witnessed the phenomenon of a person stepping back, analyzing their life, and realizing what they're good at and what they are not, the types of people who hurt them and those who help, and the things that provide satisfaction and what leaves them empty. And in all this, they find their purpose. They find their story. When you know your story, you know who you are and why you matter. You understand the many ways you can help others, and you develop a resilience over pain that can make you unstoppable. Allison's simple formula will help you process your life and get your whole story down—in only five pages! This isn't a formula to teach you to write a book (although the exercises may lead to that), but it will help you understand yourself, your story, and your purpose. We will never know who we are until we know our story. And we will never know our story until we take time to write it down. So let's begin.

play drift boss online: Refiner's Fire JB Storm, 2021-11-24 Refiner's Fire By: JB Storm Just like we refine precious metals by removing impurities to make them strong, or gems are formed by intense heat and polished to sparkle, we are refined by the challenges we face in life. Refiner's Fire is about taking a new perspective and realizing we are in the college of life. In life we get mired down and forget that everyone around us has challenges, struggles, things that can bring us to our knees. The scriptures say: "No unclean thing can dwell with God." Taking stories either from our own lives or lives of friends and sharing them to show (first), no one walks alone or goes through life without challenges and (two) challenges can be made into stepping stones that lead to our eternal progression or, if we so choose, can be stumbling blocks that lead us away from our perfect, clean self. It is our choice that determines which direction we will choose and how we will embrace those challenges. The hope is that at least one person benefits from the thoughts that are shared. And while some stories are shared several times there is significance each time. To a spiritual person thinking about how the Universe affects us through our own mind may help pave the way to better self. To a religious person, it doesn't matter what faith you walk by; there is something upon the pages that may help you.
