proverbs 4 questions and answers: God Can Turn It Around for You Apostle Dr. Joseph Ajao, 2011-11-21 Many books are out there that touched nations with powerful impact, with biblical divine insight and with progressive encouragement to all that dare to read and believe. Those books spurs many people to take positive actions about their lives. Kudos to you all the great authors that made it possible for the needy people to receive help through self-help books which is the best help. Apostle, Dr. Joseph O. Ajaos intention in this book is to bring the testimonies of the real people that faced real problems but stood their grounds and received breakthrough to you. Why? Because the problems did not break them but built them up successfully. The Apostle, Dr. Joseph Olutunde Ajao has done it again as he did in his former book that he wrote many years ago The New Fulfi lled The Old. The proven evidence that Jesus Christ fulfi lled the Scriptures. In his book, God can turn it around for you. With God all things will be possible. He proved once again that miracles have not ceased as many people believed now that miracles have stopped happening (See: John 4:48; Mark 2:12; Luke 1:37; Jeremiah 32:27; Jeremiah 33:3; Jeremiah 1:12; Psalm 50:15; Mark 11:22-25). He theologically, biblically and inspirationally proved his point beyond every reasonable doubt that God can perform His miracles in your life if you believe that the Almighty God called Yahweh can do it right now. The promises of miracles stand forever up till eternity by the power of the resurrection of our Lord Jesus Christ more than two thousand years ago. If you read his book without any liberal theological goggle, you shall understand and agree that Yahweh can turn your life around for good. For with Almighty God nothing will be impossible (See: Luke 1:37; Luke 18:27; Matthew 18:18-20; Isaiah 40:8; Isaiah 42:8; Psalm 81:10).

proverbs 4 questions and answers: *Being the Best of the Best* Lemuel Baker Ph.D, 2023-01-22 This book is a sequel to my book 'Feed My Sheep.' To become the 'best of the best,' the religious community must take some time to wrap their arms around religious issues with causes that are not so obvious which create challenges which go unsolved. When we begin to understand the critical issues within the religious community, create definite action plans to resolve them, the religious community can then provide godly wisdom bringing change among all cohort groups represented. The ancient Statesman Daniel was an excellent example of bringing God's influence at very high levels only because he was assessed by his peers to be of an excellent spirit, well rounded, educated, intelligent, managing his weight, his emotions and spirit well. God intends the religious community to be the best of the best because religion advocates morality at the highest levels thus is scrutinized at a very high level.
