prophetic anointing books: Tongue of the Learned Steve Porter, 2017-05-10 We can be used in the ministry of sustaining! We can support and bear up a burdened soul. As they struggle, facing heartache and discouragement, we come alongside them and hold them up using an on-time word that the Lord gives them through us. In the spirit, I see many that suffer loss, but God is raising up a remnant who knows the heart of the Father who yearns to offer comfort to the suffering. The Lord greatly desires a prophetic people to become the tongue of the learned, setting aside their own personal agendas to be His mouthpiece. When we greatly desire, and ask Him for this abiding prophetic anointing, He will respond and bring us into an increasing degree of prophetic sensitivity and ability. In this book, Steve will address The Lord's desire for us to become prophetic as a people. Each of us was born with a spiritual ability to hear the Holy Spirit speak to direct our steps. And whether we believe it or not, He is speaking to us all the time. But the world, the flesh and the devil distort the sounds we hear, which means we must develop our ability to hear and distinguish that precious still, small voice from all others. In his new book Tongue of the Learned-How to Flow in the Prophetic Anointing Steve prepares hungry hearts to hear the voice of God and to be that sustaining voice to carry the Father's heart. The Lord is making ready (Rev. 19:7-9) a mature bride to be that

corporate voice; they will be the sound of many waters and when they speak, the earth will shake with the very glory of the Lord. This is the incredible, living story of the prophetic anointing! Let's take a journey together of divine proportions into the presence of the Lord! Steve & Diane Porter are founders of Refuge Ministries. They reside near Rochester, NY. Steve's books, articles, and videos have touched countless lives around the world.

prophetic anointing books: **The Prophetic Ministry** Dr Pastor Joseph a Mills, 2022-09-14 What is prophecy Who will make a prophecy? Is it proper to ask for a prophecy? Do we truly need prophecy today when the Bible is available to us for guidance? What roles do the prophetic ministries and talents play in the local church? If all of God's people can hear His voice, why do we need prophets? Can a real prophet omit a prophecy? How can we tell when spiritual talents are being imitated? These are just some of the frequent queries heard in the church today. We can be certain that deceptions will fill the gap left by ignorance if the church does not provide biblical solutions. If you won't accept anything less than everything that God has for you... If you're not going to be frightened by people who say God isn't still speaking to us now... This book will provide you with the answers to your inquiries as well as a challenge to get to know God and hear from Him like never before. One of the most misunderstood yet crucial vocations in the church today is discussed with wisdom and authority by this reputable and tested voice from the past. He speaks of people, the fervor, the voice, and the kindness that real prophets of the Lord displayed in their hearts. As you read this book, you will discover how to identify, comprehend, and react to a real prophet. A strong introduction to the prophetic ministry is provided in this book. The prophetic office, the prophetic anointing, and the gift of prophecy will all become more clear and understandable as a result. People may use this knowledge to identify how this anointing works in their own lives and the lives of others. We pray that Christians would grow in their esteem and understanding of the prophetic office and gift. Please see my publications, *The secret of the Prophetic Anointing*, *Anointed for Ministry*, and *If I am a man of God*, written by my Covenant brother, (A. O INNOCENT) for a thorough analysis.

prophetic anointing books: After I Receive Brill Pongo, 2017-03-02 When it comes to receiving a prophetic word the prerogative is on the recipient to activate and protect that prophetic word. The question is how do you protect that word? More importantly, how do you activate that prophetic word? Many Christians have received many prophetic words; keys to blessings if you like, however, they still stand on the other side of the door; with the key in their possession. They are yet to open the door that gives them access to the glorious blessings pronounced through a prophetic word. Most Christians take the prophetic word that they receive for granted, some even forget the word that they received, hence they fail to protect or activate the prophetic word that has potential to change their situation for the better. After I Receive is a book written to help you understand the importance of protecting a prophetic word. It also looks at how that prophetic word can be activated.

Evans, 2019-09-21 The focus of this book is to bring clarity and understanding to the role of the apostle in the Church. prophetic anointing books: No Other Foundation... Prophet Roderick L Evans, Rod L. Evans, 2003-10-26 Controversy over the gifts and ministries of the Spirit has abounded for centuries. Various scholars have taught that there was a cessation of the gifts and ministries. More specifically, they affirm that the ministries of the Apostle and Prophet are no longer in operation nor valid. However, in recent years, a resurgence of the operation and demonstration of these gifts occurred. Traditional and Non-traditional churches, alike, have experienced the visitation of God through the Holy Spirit. In this book, we will bring clarity to the roles of the apostles and prophets in the New Testament Church. In addition, we will explain with simplicity the apostolic and the prophetic anointing. It is our prayer that believers will recognize the operation of them in their lives and in the lives of others. We can be confident that God is still using His people in these last days.

prophetic anointing books: The Elijah Anointing Connie Hunter-Urban, 2014-12-30 Supernatural revelation and ability has always fascinated people, yet Spiritfilled Christians have access to God's very heart through prophetic revelation. God has given many biblical examples of those who operated in their prophetic gifts, but Elijah personifies the prophet's role. He put no limits on God's ability. He knew how to operate in his gifts, even in hard things like multiple translations and a resurrection. He performed signs and wonders like calling down God's fire. He also taught others as pupils and proteges to pass his knowledge to the next generation. He was so in tune with the Father he was one of two men who never tasted death. His ministry is an example to modern-day prophets. Connie Hunter-Urban's book, The Elijah Anointing, not only shows how Elijah's life experiences relate to us, but also how those events create principles for Spirit-filled believers to apply to their own gifts. Through biblical examples and her own life's experiences, Connie uses this powerful prophet to demonstrate modern-day principles. Both new and seasoned operators in the prophetic will learn much about their own prophetic journeys. Connie Hunter-Urban uses Elijah as an example of how Spirit-filled believers can better understand their own gifts. The Elijah Anointing explores Elijah's life, gleaning principles which govern prophetic gifts even today. This book shows how God cherishes His prophets, both new and seasoned and encourages and instructs all levels in becoming mature operators in Holy Spirit's gifts.
