From bedtime storytelling to cooking simple meals together, easily turn these simple activities into insightful blessings that will positively impact your kids for a lifetime! In every home, with every mother, there is a choice: a choice to bless her children. A mother can choose to communicate that incredible gift of unconditional love and acceptance that her children long for...or she can actively or passively withhold the blessing from her children, opening the door to loneliness and emotional hurt. This easy-to-read book will help you demonstrate the message that God has for us all: children in every home deserve to know that their mom and Jesus is crazy about them! Make this truth a reality for your child and give them the gift of the Blessing so they can be free to serve others, gain personal strength, and grow in God's purpose for them. Help your child embrace the truth that with God's love, they can do and be more than they ever imagined. Blessing others is a choice. Before turning to Jesus, author John Trent harbored resentment and hatred toward his alcoholic father for years. After he gave his life to Christ, John forgave his father and realized that he was given the same choice as his father: to bless or withhold blessing from his own family. Since then, John has shown millions of families how to break the cycle of rejection and bless one another. What are the 5 Elements of the Blessing? But what exactly does it mean to give a blessing? The blessing as described in Scripture always included five elements: Meaningful and appropriate touch--giving a hug before school or a goodnight kiss before bedtimeA spoken message--telling your child how much they mean to you or praising them for being kind to othersAttaching high value to the one being blessed--speaking and affirming God's truth and value over your childPicturing a special future for him or her--finding ways

to encourage your child's potential and envisioning ways they can impact the world for Christ. An active commitment to fulfill the blessing--learn to build a habit of consistently showing your child how much they mean to you.
