In The Regency Book of Drinks: Quaffs, Quips, Tipples, and Tales from Grosvenor Square, this respectable cocktail connoisseur presents a guide of over 75 cocktail recipes shaped by the Regency era in both refinement and ingredients—and served alongside a heaping dose of high-society gossip, scandal, and speculation. A loving homage to the era celebrated by the hit Netflix series *Bridgerton* Beginning with the gentlewoman's advice on setting up a Regency bar, the best glassware and garnishes, and an overview of the period's most popular ingredients, the book is then divided into six subsequent recipe chapters drawn from high-society life during the London social season, from occasions such as The Evening Soirée to Delicate Daytime Drinks to even those rare, deliciously nonalcoholic drinks for Polite Company. Throughout these chapters, Lady Thornwood weighs in with stylish sidebars and entertaining advice on how to host gatherings that are the talk of the ton, with recipes titles such as: Duty & Desire Satin Knee Breeches Feigned Attachment Debutante's Ruin Amidst all of her sly cheek and drama, our hostess presents readers and cocktail aficionados with an

intriguing true history. In Regency England, as Britain's empire expanded, cocktails were becoming social currency—a showcase for wealth, trade connections, and even modern marvels like ice. The Regency shaped British high society for a century and helped launch the cocktail revolution we still enjoy today. As Lady Thornwood says, As the Regency unfolds, ships sail up the Thames from every corner of the globe freighting exotic spices, vibrant fruits, and marvelous elixirs. Let us toast this bounty and craft it to our purpose. Cocktails stiffen the spine, unlock the tongue, and add sheen to even the dullest drawing room. Coupes up! Color illustrations by Nieve Borges

Alicia Tiernay has spent enough time around disenchanted society wives to know what marriage really means for women: a lonely life of tending children while the men carry on with their mistresses. Spinsterhood seems a far better fate to the unconventional Miss Tiernay. But before she chooses a solitary life, Alicia surrenders to a night of passion with a dashing stranger. Now an heiress who may do as she pleases, Alicia enters London society only to find herself in the arms of masked man at a Masquerade Ball, whom she realizes is none other than her mystery lover. It's one thing to have a member of the town know her shameless secret. It's quite another not to know his true identity. Is it Robert St. Clair, the rogue she cannot seem to resist? Or Lord Fane, a wealthy dandy whose flirtations with Alicia appear to be nothing more than an amusing dalliance? Or is it some other man with intentions far worse, like destroying her reputation once and for all? Suddenly Alicia's youthful transgression feels all too dangerous and just as perilous as her growing feelings for a most unsuitable man.

regency novel download free: My Reluctant Earl Shirley Karr, 2023-03-25 How did a respectable spinster end up hiding an earl in her bedchamber? Miss Ashley Hamlin has two months of the London Season to find a husband or another job at a ladies' academy. Despite her experience and spotless reputation, rejection letters are piling up. And the gentlemen of the ton show no interest in courting this bluestocking. David, Earl of Ravencroft, is a talented musician and singer who reluctantly inherited his title after a family tragedy. He gave up the carefree life of a second son and takes his new duty to protect very seriously. Perhaps too seriously: he winds up unconscious and bleeding after defending a woman. He never expected to see again the lady he had previously rescued ... yet here Ashley is, tending his wounds, concealing him and his secret identity. Despite their friendship blossoming into romance, they both have secrets. Secrets that could tear them apart and ruin their carefully planned lives if exposed. Add in David's affectionate but nosy sisters, a patron who doesn't take no for an answer, and a prestigious competition David's siblings want his help to win ... and his path to happily-ever-after with Ashley is anything but smooth. A lighthearted, slow burn, friends-to-lovers story with more humor than heat, just a little too naughty to call it sweet. Potential trigger warning: This story includes a Regency-style attempted date rape scene early on. Emphasis on "attempted."
