Additional Resources

1. *A Tale for the Time Being* by Ruth Ozeki

This novel weaves together the story of a Japanese-American writer living on an island in British

Columbia and a Japanese teenager who has washed ashore after a tsunami. It explores themes of time, memory, and the interconnectedness of life. The narrative blends diary entries, historical events, and philosophical reflections, offering a profound meditation on existence and resilience.

2. *All Over Creation* by Ruth Ozeki

Set in Idaho's potato farming country, this novel follows a woman returning to her family farm to confront the environmental and ethical dilemmas caused by genetically modified crops. The story delves into issues of identity, activism, and the clash between tradition and progress. Ozeki's sharp humor and rich character development make this a compelling read about ecological responsibility.

3. *My Year of Meats* by Ruth Ozeki

This debut novel centers on a Japanese-American documentary filmmaker who creates a television show about American meat culture for Japanese audiences. It examines cultural differences, gender roles, and the politics of food production. The book combines satire with a heartfelt exploration of personal and political awakening.

4. *When the Emperor Was Divine* by Julie Otsuka

This poignant novel tells the story of a Japanese-American family's experience during World War II internment. Told through multiple perspectives, it captures the emotional and psychological impact of displacement and injustice. The sparse, lyrical prose highlights themes of identity, loss, and resilience.

5. *The Buddha in the Attic* by Julie Otsuka

Focusing on the lives of Japanese "picture brides" who immigrated to America in the early 20th century, this novel explores their struggles, hopes, and the harsh realities they faced. The collective voice narration creates a powerful sense of shared experience and cultural history. It's a moving tribute to immigrant women and their resilience.

6. *The Book of Unknown Americans* by Cristina Henríquez

This novel explores the lives of Latino immigrants in the United States, focusing on a family's challenges and hopes as they adapt to a new life. Themes of identity, belonging, and the American Dream are central to the story. Henríquez's empathetic storytelling offers a nuanced view of immigration and community.

7. *Kitchen* by Banana Yoshimoto

A contemporary Japanese novel that delves into themes of loss, love, and healing through the story of a young woman who finds solace in cooking and friendship. Yoshimoto's lyrical prose and focus on everyday life create a touching and intimate narrative. The novel highlights the importance of human connection in overcoming grief.

8. *Convenience Store Woman* by Sayaka Murata

This quirky novel follows a woman who has worked at the same convenience store for 18 years, challenging societal expectations and norms. Through her unique perspective, the book explores themes of conformity, identity, and happiness. Murata's satirical style provides a sharp critique of modern Japanese society.

9. *Snow Falling on Cedars* by David Guterson

Set in the Pacific Northwest, this novel combines a courtroom drama with a meditation on prejudice and memory in the aftermath of World War II. It tells the story of a Japanese-American fisherman accused of murder, exploring racial tensions and the legacy of internment. The richly descriptive prose and complex characters make it a compelling and thought-provoking read.

ruth ozeki novel download: *Emerging from the Rubble: Asian/American Writings on Disasters* Yasuko Kase, Eliko Kosaka, 2025-08-12 With a focus on the transpacific and transnational relationship between North America and Asia, 'Emerging from the Rubble: Asian/American Writings on Disasters' explores Asian/Americans' complex and nuanced involvement in disastrous events. Included in this purview of disaster are not only the damages and threats of current ongoing climate change but also the long-lasting ruining effects inflicted by imperialism, neo/colonialism, wars, and these historical components' entanglement with global capitalism that have generated both spontaneous and slow and/or prolonged violent effects. Moreover, disasters can be acknowledged as manifestations of the Anthropocene — an epoch shaped by human activity — or what scholars like Jason W. Moore and Donna J. Haraway term the 'Capitalocene,' a paradigm where nature and capitalist society are deeply intertwined, co-creating an intricate web of life. Asian/American involvement in such a web has never been simple but convoluted: some of them have experienced tremendous losses, whereas others have perpetuated obfuscation of the truth and/or induced violence, often contingently with or without acknowledging the facts. When considering Asian migrants including refugees from Southeast Asia who had little option but to seek asylum in the U.S., and Asian Americans who have pursued their "happiness" under the U.S.'s capitalist premise of constant progress, protection of "human rights," and freedom of "choice," it is important to note that Asian migrants and Asian 'Americans' have become simultaneously active players and exploited individuals within the context of U.S. racial capitalism. Acknowledging the impossibility of clearly differentiating natural and human-made disasters, scholars who contribute to this volume note the reciprocal influences between nature and civilization. They examine how the entanglements of natural and human-made disasters lead to the acceleration and expansion of damage. This volume explores how Asian Americans' connections with their ancestral origins along with their particular racial positions, social classes, and socio-historical backgrounds in North American societies force them to experience and witness disastrous events differently from the mainstream discourse on eco-crises.

ruth ozeki novel download: Timecode of a Face Ruth Ozeki, 2022-03-24 What did your face

look like before your parents were born? Who are you? What is your true self? These are the questions in Ruth Ozeki's mind as she challenges herself to spend three hours gazing into her own reflection, recording every thought and detail. What follows are a lifetime's worth of meditations on race, ageing, family, death, the body, self-doubt and, finally, acceptance. In this profound encounter with memory and the mirror, Ozeki weaves together personal history, professional experience, Zen philosophy, Japanese culture and more to paint a rich, intimate and utterly unique portrait of a life as told through a face.

ruth ozeki novel download: [A Tale for the Time Being](#) Ruth Ozeki, 2013-03-12 A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award "A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be." In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

ruth ozeki novel download: *All Over Creation* Ruth Ozeki, 2004-03-30 A warm and witty saga about agribusiness, environmental activism, and community—from the celebrated author of *The Book of Form and Emptiness* and *A Tale for the Time Being* Yumi Fuller hasn't set foot in her hometown of Liberty Falls, Idaho—heart of the potato-farming industry—since she ran away at age fifteen. Twenty-five years later, the prodigal daughter returns to confront her dying parents, her best friend, and her conflicted past, and finds herself caught up in an altogether new drama. The post-millennial farming community has been invaded by Agribusiness forces at war with a posse of activists, the Seeds of Resistance, who travel the country in a camping car, "The Spudnick," biofueled by pilfered McDonald's french-fry oil. Following her widely hailed, award-winning debut novel, *My Year of Meats*, Ruth Ozeki returns here to deliver a quirky cast of characters and a wickedly humorous appreciation of the foibles of corporate life, globalization, political resistance, youth culture, and aging baby boomers. *All Over Creation* tells a celebratory tale of the beauty of seeds, roots, and growth—and the capacity for renewal that resides within us all.

I only want to receive it some time before I incur any expenses, which the promise of this bonus may tempt me to indulge in. Mr. Farquhar took his leave. That evening there was a long conference, for, as it happened, Ruth was at home. She was strenuously against the school plan. She could see no advantages that would counterbalance the evil which she dreaded from any school for Leonard; namely, that the good opinion and regard of the world would assume too high an importance in his eyes. The very idea seemed to produce in her so much shrinking affright, that by mutual consent the subject was dropped; to be taken up again, or not, according to circumstances. Mr. Farquhar wrote the next morning, on Mr. Benson's behalf, to the Insurance Company, to inquire about the bonus. Although he wrote in the usual formal way, he did not think it necessary to tell Mr. Bradshaw what he had done; for Mr. Benson's name was rarely mentioned

between the partners; each had been made fully aware of the views which the other entertained on the subject that had caused the estrangement; and Mr. Farquhar felt that no external argument could affect Mr. Bradshaw's resolved disapproval and avoidance of his former minister. As it happened, the answer from the Insurance Company (directed to the firm) was given to Mr. Bradshaw along with the other business letters. It was to the effect that Mr. Benson's shares had been sold and transferred above a twelvemonth ago, which sufficiently accounted for the circumstance that no notification of the bonus had been sent to him. Mr. Bradshaw tossed the letter on one side, not displeased to have a good reason for feeling a little contempt at the unbusiness-like forgetfulness of Mr. Benson, at...

On the hard, echoing sands, and distinct from the ceaseless murmur of the salt sea waves, came footsteps--nearer--nearer. Very near they were when Ruth, unwilling to show the fear that rioted in her heart, turned round, and faced Mr. Donne. He came forward, with both hands extended. This is kind! my own Ruth, said he. Ruth's arms hung down motionless at her sides. What! Ruth, have you no word for me? I have nothing to say, said Ruth. Why, you little revengeful creature! And so I am to explain all before you will even treat me with decent civility. I do not want explanations, said Ruth, in a trembling tone. We must not speak of the past. You asked me to come in Leonard's--in my child's name, and to hear what you had to say about him. But what I have to say about him relates to you even more. And how can we talk about him without recurring to the past? That past, which you try to ignore--I know you cannot do it in your heart--is full of happy recollections to me. Were you not happy in Wales ? he said, in his tenderest tone. But there was no answer; not even one faint sigh, though he listened intently. You dare not speak; you dare not answer me. Your heart will not allow you to prevaricate, and you know you were happy. Suddenly Ruth's beautiful eyes were raised to him, full of lucid splendour, but grave and serious in their expression; and her cheeks, heretofore so faintly tinged with the tenderest blush, flashed into a ruddy glow. I was happy. I do not deny it. Whatever comes, I will not blench from the truth. I have answered you. And yet, replied he, secretly exulting in her admission, and not perceiving the inner strength of which she must have been conscious before she would have dared to make it-- and...
