savita bhabhi comics: South Asian Pornographies Darshana Sreedhar Mini, Anirban K. Baishya, 2024-06-21 South Asian Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity, law and desire in South Asia. Focusing on case studies from India, Sri Lanka and Bangladesh while gesturing towards other countries in South Asia, the authors of this volume come from fields as varied as history, literature, media and communication, and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to pornography, given the multiplicity of cultural and legal-censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular (and sometimes underground) culture, bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural (identities rather than identity), this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies, Cultural Studies, Film Studies, History, Sociology, and Social and Cultural Anthropology. The chapters in this book were originally published in the journal Porn Studies.

savita bhabhi comics: Indian Essentials , 2010 Celebrating 60 years of the Indian Republic, we bring you Indian Essentials, a light-hearted, tongue-in-cheek ode to India. Dip into this collection and join us to find out what it means to be Made in India.

savita bhabhi comics: The Limits of Sexuality Education Ketaki Chowkhani, 2023-12-19 This book explores different strands of thinking about sexuality education in contemporary urban India. It interrogates the limits of sexuality education as we know it today by rethinking adolescent masculinities in middle-class urban India. This book contributes to the wide gap in theorising sexuality education and adolescent masculinities in urban India. It presents an adolescent perspective on sexuality education, looks at adolescent love from the school teachers' perspective, and tries to understand a teacher's negotiations with student romance. It unravels the sexual and romantic lives of adolescents and examines the circulation of sexual knowledge and sources of information on sex that adolescent boys in India have access to. This book uncovers the limits of sexuality education by examining State, feminist, Christian, and sexological materials on sexuality education in Mumbai and Delhi. Based on detailed research and narratives from teachers, young men, and women, the book explores adolescent male romance and its affective registers, adolescent male sexual knowledge, and the regulation of romance in school spaces. This book will be of interest to students and researchers of education, sexuality and gender studies, masculinity studies, sex education as well as those interested in education policy, education politics, educational research, and inclusion and special education. Located at the intersection of sexuality studies, education, masculinity studies, and cultural studies, it will also appeal to those working in sexuality education in urban India within the complex web of the middle classes, consumerism, post-feminism, romance, adolescent masculinities, and cinema.

savita bhabhi comics: The Case of the Deadly Butter Chicken Tarquin Hall, 2012-07-05 Vish Puri is as fond of butter chicken as the next Punjabi. And when there's plenty on offer at the Delhi Durbar hotel where he's attending an India Premier League cricket match dinner, he's the first to tuck in. Irfan Khan, father of Pakistani star cricketer Kamran Khan, can't resist either. But the creamy dish proves his undoing. After a few mouthfuls, he collapses on the floor, dead. Clearly this isn't a case of Delhi Belly. But who amongst the Bollywood stars, politicians, bureaucrats and industrialists poisoned Khan is a mystery. And with the capital's police chief proving as incompetent as ever, it falls to Most Private Investigators to find out the truth. Puri is soon able to link Khan to a bald bookie called Full Moon and all the clues point to the involvement of a gambling syndicate that controls the illegal billion dollar betting industry. The answers seem to lie in Surat, the diamond cutting and polishing capital of the world (where Puri's chief undercover operative Tubelight meets his match) and across the border in Pakistan, Puri's nemesis, the one country where he has sworn
