All Emma wants is to belong... In Year of Folly, Emma, the youngest daughter of a prestigious family, struggles to find acceptance despite four Seasons of effort to please society. Banished to Inverness to prevent any potential scandal, Emma finds herself an outsider among her more conventional cousins, including the reserved and routine-bound Morgan Davies. When Emma becomes passionate about women's suffrage and immerses herself in political activism, she ignites a scandal that threatens to upheave Morgan's orderly existence and shake their family to its core. Year of Folly is the twelfth book in the Scandalous Scions series, an engaging continuation of the beloved historical romance series, Scandalous Sirens. Set in the Victorian era, this series delves into the complex relationships and passions of three influential families, navigating love, duty, and societal expectations amidst a world of rigid moral codes. This story is part of the Scandalous Scions series: 0.5 Rose of Ebony 1.0 Soul of Sin 2.0 Valor of Love 3.0 Marriage of Lies 4.0 Mask of Nobility 5.0 Law of Attraction 6.0 Veil of Honor 7.0 Season of Denial 8.0 Rules of Engagement 9.0 Degree of Solitude 10.0 Ashes of Pride 11.0 Risk of Ruin 12.0 Year of Folly 13.0 Queen of Hearts A Sexy Historical Romance ___ Praise for the Scandalous Scions series: If you haven't started this series, start right now and you will fall in love with this very unconventional family during a time when rules, etiquette and unwritten rules had to be followed or the lack of them would bring scandal and ruin to an entire family. I love these books. Tracy creates these characters so well and with such care. I really recommend reading this series. I am overwhelmed by how much I have enjoyed this series so far. It was not superficial fluff as I thought it might be when I began. Cooper-Posey books have touched on so many universal themes. Her characters are admirable people who love their family and are capable of deep romantic love as well. I just love this series and the books just keep getting better and better. This series takes us on a romp through historical times, which I love. If you haven't read this magnificent series you must do so now; you will love each story, be moved by each of them, fall in love with the heroines and heroes, you will cheer for them and just as loudly boo the villains. Love this series and have bought them all. This entire series is filled with so much love for each other and family, that there is no way you cannot be emotionally drawn into each story.
