ritual book download: *The Ritual Yearbook* Theresa Cheung, 2019-11-19 We all need to find connection and meaning in the midst of the fast paced world we live in and rituals offer an easy and simple way to do this. In this 365 year-long exploration, Theresa Cheung offers daily practices to help us bring focus and attention to our lives for meaningful and achievable change. A ritual is any action we take that has meaning beyond its appearance; by giving an action intention it becomes 'sacred' and purposeful. The absence of significant ceremony in our lives has left us feeling disconnected, confused and alone. Rituals and ceremony allow us to be present in the now, focus on the future and provide us with closure on the past, they return us to what matters. Drawing on science and psychology, Theresa Cheung's 365 non-denominational rituals will help anyone to transform their lives. Split into four sections, the book begins with 21 simple foundation rituals to help you ground your daily practice. The second and largest section is broken down into 4 areas: Body, Mind, Spirit and Heart. Each containing 74 rituals, some simple and some more complex. Choose the area you feel you want to focus on and follow the rituals in sequence or choose as you wish. The third section has a four-week programme focussing on success and broken down week-by-week and the final section contains 21 closing rituals. ritual book download: *Der Gottesdienst als Ritual* Richard Graupner, 2019-07-15 Rituale prägen unser persönliches Leben in sämtlichen familiären, kulturellen, politischen und wirtschaftlichen Kontexten. Auch der evangelische Gottesdienst wird seit den 1970er-Jahren als Ritual bezeichnet. Doch was ist ein Ritual? Dieser Frage geht Richard Graupner in seinem Buch nach. In der evangelischen Liturgik wird der Begriff oft mit Worten wie Heimat, Sicherheit und Vertrautheit verbunden. Besonders innerhalb der sogenannten Ritual Studies hat sich ein Ritualbegriff etabliert, der das kritische Potenzial dieser Handlungen bewusstmacht und dabei auch die kognitiven Prozesse der Handelnden einbezieht. Allerdings hat die evangelische Liturgik diese Verschiebung bisher kaum beachtet. Sie scheint aber nicht zuletzt geeignet, die traditionelle Entgegensetzung von Liturgie und Predigt zu überwinden. Hier setzt Richard Graupner an und fragt, was der Ritualbegriff zum Verstehen, aber auch zum Gestalten des Gottesdienstes beitragen

kann?

ritual book download: **Media Rituals** Nick Couldry, 2005-07-08 Media Rituals rethinks our accepted concepts of ritual behaviour for a media-saturated age. It connects ritual directly with questions of power, government, and surveillance and explores the ritual space which the media construct and where their power is legitimated. Drawing on sociological and anthropological approaches to the study of ritual, Couldry applies the work of theorists such as Durkheim, Bourdieu and Bloch to a number of important media arenas: the public media event; reality TV; Webcam sites; talk shows and docu-soaps; media pilgrimages; the construction of celebrity. In a final chapter, he imagines a different world where the media's ritual power is less, because the possibilities of participation in media production are more evenly shared.

ritual book download: **Tantra, Ritual Performance, and Politics in Nepal and Kerala**

Matthew Martin, 2020-08-10 In previous studies of South Asian Tantric ritual, scholars tend to focus on one region or context. For the first time, *Tantra, Ritual Performance and Politics in Nepal and Kerala: Embodying the Goddess-clan* offers a comparative approach to Tantric mediumship as observed in two locales: Navadurgā rituals in Bhaktapur, Nepal, and Teyyāṭṭam in North Kerala. In this book, Matthew Martin advances a new theory of ritual, which spotlights the way dancer-mediums embody medieval goddess-clans and ancestor deities, through offerings of food and sacrifice, that synchronize their denizens with the land in spiralling web-like ritual networks. Uniquely interdisciplinary in style, this study synthesizes cultural history, ethnography, and theory to explore the continuities – historical, societal, and political – that characterize these ritual traditions across the subcontinent.
