speedy bible guides: *Moreover, When Ye Fast* Stephanie A. Mayberry, 2021-11-21 Fasting is a powerful way to serve and glorify God. Throughout the Bible we see how fasting and prayer shaped and molded some of God's mightiest people. Today, fasting and prayer is not given the priority that it should. It is often shoved to the backburner, left as an option for Christians, something they can choose to do if they feel led to do so. And yet, Jesus did not say If you fast, He said WHEN you fast. It is not an option. If you want to grow more fully in God and reap all of the blessings that He has for you, then fasting will become a regular part of your service to Him. If you want a deeper walk, to reflect Jesus in all that you do, then you will incorporate fasting and prayer into your life so that it is as much a part of your life as reading your Bible and daily prayer. Fasting is for now. Fasting is for YOU.

speedy bible guides: Converge Bible Studies: Who You Are in Christ Shane Raynor, 2013-04-18 From childhood through adulthood, most of us spend a considerable amount of time and energy trying to figure out who we are and who we want to be. And there's no shortage of people in the world willing to give us their answers to those questions. Who You Are in Christ takes a look at how our faith in Jesus radically changes who we are and our relationships with God, each other, and the world. Using passages from Paul's New Testament letters, this study explores our identity in Christ as well as how our self-perception affects who we become and what we accomplish when we choose to live according to God's ways of justice, mercy, and love. Converge Bible Studies is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. Converge can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in Converge come together to transform readers' relationships with others, themselves, and God.

speedy bible guides: Holman Illustrated Guide To Biblical Geography Holman Bible Publishers, Paul Wright, 2020-12-01 Reading the land enables us to read the Bible with greater insight. Though the truths of the Bible transcend time and place, they are rooted in them. Geographical data inform our understanding of activity in the land of the Bible, while the Bible's own description of these events, embedded deeply in the realia of the land itself, helps us better understand the living context in which these events took place. When we develop a skill set that allows us to read the land of the Bible as fluently as we might read the text, we stand not only to gain a better appreciation of the divine-human events of Scripture, we also gain an understanding of how these events become

relevant to us in our own particular living contexts. Chapters include: Exploring the World of the Bible Building Blocks of Biblical Geography The Land of Ancient Israel: The Southern Regions (Judah/Judea) The Land of Ancient Israel: The Central Regions (Israel/Samaria) The Land of Ancient Israel: The Northern Regions (Galilee) Transjordan Afterword: Geography of the Heart Biblical geography has great apologetic value. The biblical writers had to be accurate when presenting geographical material. Unlike some matters of history and doctrine, their assertions about the realities of land forms and climate, or about the relation of one city to another, or about the use of strategic routes could easily be verified both by their first readers as well as by contemporary readers. Verifiable geographic information provides a solid foundation on which to place and evaluate the veracity of other truth claims in the biblical text.

speedy bible guides: A Kid's Guide to the Armor of God Tony Evans, 2015-03-01 As one of the country's most respected evangelical leaders, pastor and author Tony Evans challenges tweens (ages 8 to 12) to explore what the armor of God is all about. He understands that Christian kids want to be stronger, more confident, and skilled at living an exciting God-centered life, and so he presents the unvarnished truth. Tony Evans gives kids a plan for success by explaining: Scripture reveals who's behind the world's traps and snares and how to resist him. God offers all Christians a powerful suit of armor and mighty weapons. The suit includes a belt of truth and helmet of salvation to wear and shield of faith to carry into the battle. When every piece of God's armor is worn correctly, the enemy is defeated and Christians finish victorious. By learning how to dress in the armor God provides, preteens are able to speak the truth, stand firm in the faith, and spread the Good News of Jesus Christ.
