spiritual growth scriptures file: Conformed to the Image of Christ Bryan Shuler, 2025-07-08 How do we know that our spiritual experiences are authentic? Christian theologians from the early church until today have consistently acknowledged the possibility of spiritual deception, and a rich heritage exists on the study of spiritual discernment. Throughout history, scholars studying spiritual discernment have identified specific criteria by which believers can measure the authenticity of their spiritual experiences. One possible criterion that has gone mostly unnoticed is the image of God. In this book, Bryan Shuler brings together an examination of the nature of spiritual experiences with the history of spiritual discernment criteria and recent developments on the theology of the image of God in order to show that authentic spiritual experiences will always conform to or lead believers to grow in conformity with the image of God in structural, functional, and relational aspects. This book balances the particularities of Christ and Christian doctrine with the plurality of authentic expressions of Christian spirituality, showing the variety of ways in which conformity to the image of God can manifest.

In this new edition, readers engage with Sanders most essential and influential work: *Spiritual Leadership*, *Spiritual Maturity*, and *Spiritual Discipleship*. *Spiritual Leadership* is a proven classic, presenting the key principles of leadership in both the temporal and spiritual realms. Featured topics include: the cost of leadership, the responsibility of leadership, the qualities and criteria of leadership, the art of

spiritual growth scriptures file: God Is Calling You Rev. Naresh K. Malhotra, 2021-01-25

God has a unique calling for every individual that fits His special plan and purpose for your life. This calling is the way you are to live on the earth and encompasses all your being and doing. Essentially, calling refers to belonging to Christ and participating in His redemptive work in the world in the special way He has called you. The two books in this series will help you to discern your calling from God and then pursue that calling with passion and obedience, relying on the Lord Jesus Christ to fulfill the calling by doing His work in you and through you. In the process, you will experience miracles from God – all to the glory of the Lord Jesus Christ! You will benefit by getting to know God in a personal way, deepening your daily walk with Him, and fulfilling your calling. By discerning, responding, and fulfilling your calling, you will experience the abundant life God intends you to have (John 10:10). In his books, Dr. Naresh Malhotra thoroughly explains the various callings of God with great insight from the Scriptures. Whether you are trying to discern and respond to the calling of God on your life, I encourage you to read both books, starting with *God is Calling You: Discerning the Calling of God*, and following it up with his second book, *God is Calling You: Responding to the Calling of God*. Dr. Charles Stanley Senior Pastor, First Baptist Church, Atlanta Founder and President of In Touch Ministries These powerful and compelling volumes will not only inspire and challenge you to greater Christian living, but could very well bring spiritual renewal and revival to the Christian Church.
