shirley jackson books download: Passing Through Veils John Harrison, 2023-08-15 A fusion of Shirley Jackson and Gillian Flynn, *Passing Through Veils* is a gripping psychological thriller about Kathryn Fields who moves into a run-down Georgetown, D.C. townhouse in hopes that restoring it will be a metaphor for her own rehabilitation from the recent nervous breakdown that derailed her promising career. But when she discovers a forgotten vanity behind a false wall in her bedroom and the secrets hidden there, the veil between the real and the surreal is abruptly pierced, and the ghost of a beautiful woman who was murdered in this very townhouse escapes to seek revenge. Is this simply a fantasy of Katherine's damaged psyche? Or have her own demons finally escaped to torment her?

shirley jackson books download: The Best American Science Fiction and Fantasy 2017 N.K. Jemisin, Peter S. Beagle, Caroline M. Yoachim, Brian Evenson, Dale Bailey, 2020-06-11 Stories by N.K. Jemisin, Dale Bailey, Peter S. Beagle, and more: Showcases the nuanced, playful, ever-expanding definitions of the genre. — The Washington Post Science fiction and fantasy can encompass so much, from far-future deep-space sagas to quiet contemporary tales to unreal kingdoms and beasts. But what the best of these stories do is the same across the genres—they illuminate the whole gamut of the human experience, interrogating our hopes and our fears. With a diverse selection of stories from major award winners, bestsellers, and rising stars, chosen by series editor John Joseph Adams and guest editor Charles Yu, *The Best American Science Fiction and Fantasy 2017* continues to explore the ever-changing world of SFF today, with Yu bringing his unique view—literary, meta, and adventurous—to the series' third edition. Superb...This mostly dystopic, sometimes darkly humorous collection of 20 hard-hitting stories feels timely, confronting contemporary cultural crises.— Publishers Weekly (starred review)

shirley jackson books download: How to Raise an American Myrna Blyth, Chriss Winston, 2007-03-20 Do you love America? Are you proud to call this country your home? Now, what about your kids? You want them to love America as much as you do, but when popular culture tells them it's cooler to bash this country than to love it, how can you teach them to be proud and loyal citizens? As mothers themselves, bestselling author Myrna Blyth and former presidential speechwriter Chriss Winston have struggled with the same dilemma. Shocked by the growing patriotism gap, they set out to create a real-world resource all parents can use to teach their kids about the greatness of America's past, the promise of its future, and the important role each of us

plays in this democracy. *How to Raise an American* shows you how to make patriotism a priority without it becoming a chore for you or your kids. This practical guide offers tips, games, activities, quizzes, and information you can use to make patriotism part of your family's daily life, including: - 60-Minute Solutions that easily and seamlessly instill a love of this country - Dinner Table Debate topics that will have the whole family talking - Road trip ideas that bring America's history to life - Books and movies that exemplify our shared ideals - Inspiring stories of American courage, honor, and ingenuity - Fun and educational ways to celebrate American holidays like the Fourth of July and Veterans Day Blyth and Winston consulted prominent historians, academics, military leaders, politicians, authors, scholars, film critics, and parents around the country to bring you a truly useful guide. Part treatise on patriotism, part American history primer, part civics lesson, this book is the antidote to the virulent America bashing our children hear every day. Inspiring and practical, *How to Raise an American* is a must for every patriot—parent and child.

shirley jackson books download: *Write with Fire* Charles Allen Gramlich, 2009-07-01 This guide to writing fiction is divided into three sections. Part One deals with the mechanics of writing. How do you get ideas and shepherd them through the writing and editing process into finished and publishable form? Where do you look for markets? Part Two consists of more general articles about writing and writers. Part Three includes pieces that are more personal to the author's own history as a writer. A bibliography of suggested reading completes the guide--Page 4 of cover.

shirley jackson books download: *The Vanishing (Sporloos)* Christina Brennan, 2025-03-10 At the 1989 Sydney Film Festival, George Sluizer's little-known independent film, *Sporloos* (The Vanishing), was an unexpected hit, winning the festival's audience award and gaining accolades at other international film festivals. The Vanishing has earned a reputation as a psychological thriller that shocked audiences with its unexpected twist ending. This is the first book-length study to examine The Vanishing as a film that complements and broadens generic expectations of psychological horror cinema. It delves into The Vanishing's production history, including Sluizer's adaptation of the film screenplay from the novella *The Golden Egg* (1984) by Dutch author Tim Krabbé. Beyond exploring Sluizer's filmmaking style and The Vanishing's place in Dutch cinema, this book analyses how the film's plot, themes and symbolic imagery connect it to topics prevalent in prominent sub-genres of horror cinema, including the serial-killer sub-genre that rose to prominence in the late 1980s. Its themes are also echoed in contemporary films associated with arthouse cinema, which are variously dubbed 'post-horror' and 'elevated horror'. The book will illuminate The Vanishing's close associations with modern-day cinema, arguing that its particular type of psychological horror has consistently resonated with audiences in the decades since its release.

shirley jackson books download: *THE BOOK OF EVE - The Mis-adventures and mishaps of Eve during WWI* Ms Fish, 2020-03-09 The world of Eve, illustrated by Anne Harriet Fish (1890 - 1964), portrays a world populated by young-old matrons, astoundingly mature young girls (of which Eve is one), Victorian lady remnants, resplendent captains of industry, pussy-footing English butlers, amorous nursemaids, race touts, yearning young lovers, swanking soldiers, blank and vapid bores, bridge-playing parsons, and middle-class millionaires. The Book of Eve takes a rather satirical look at high society in London during the years of the First World War and depicts young Eve getting herself into, and out of, many predicaments before moving on to the next. Ms Fish lived through two world wars and a depression to see high society change from the remnant of the Victorian era, to the Flappers of the post WWI era, through the austerity and re-introduction of tighter morals during and after WWII. Then to see the rapid change in society and dress codes, just missing out of the introduction of the mini-skirt in 1965. One cant help but wonder what she would have made of it. But having lived through the "Roaring Twenties" she probably wouldn't have battered an eyelid.
