stormlight archive ebook: *The Way of Kings* Brandon Sanderson, 2010-12-30 The groundbreaking first book of an epic series that has changed the face of fantasy. The Way of Kings begins The Stormlight Archive. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. Return to men the Shards they once bore. The Knights Radiant must stand again. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called The Way of Kings. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. stormlight archive ebook: *Rhythm of War* Brandon Sanderson, 2020-11-17 An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga

continues in *Rhythm of War*, the eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling *Oathbringer*, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. stormlight archive ebook: The Lost Metal Brandon Sanderson, 2022-11-15 Return to #1 New York Times bestseller Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with *The Alloy of Law*, comes to its earth-shattering conclusion in *The Lost Metal*. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by the Set. And

Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. stormlight archive ebook: Oathbringer Brandon Sanderson, 2017-11-14 The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. stormlight archive ebook: Edgedancer Brandon Sanderson, 2017-10-17 From #1 New York Times bestselling author Brandon Sanderson, a special gift edition of Edgedancer, a short novel of the Stormlight Archive (previously published in Arcanum Unbounded). Three years ago, Lift asked a goddess to stop her from growing older--a wish she believed was granted. Now, in Edgedancer, the barely teenage nascent Knight Radiant finds that time stands still for no one. Although the young Azish emperor granted her safe haven from an executioner she knows only as Darkness, court life is suffocating the free-spirited Lift, who can't help heading to Yeddaw when she hears the relentless Darkness is there hunting people like her with budding powers. The downtrodden in Yeddaw have no champion, and Lift knows she must seize this awesome responsibility. stormlight archive ebook: Dawnshard Brandon Sanderson, 2020-11-10 From Brandon Sanderson—author of the #1 New York Times bestselling Stormlight Archive and its fourth massive installment, Rhythm of War—comes a new hefty novella, Dawnshard. Taking place between Oathbringer and Rhythm of War, this tale (like Edgedancer before it) gives often-overshadowed characters their own chance to shine. When a ghost ship is discovered, its crew presumed dead after trying to reach the storm-shrouded island Akinah, Navani Kholin must send an expedition to make sure the island hasn't fallen into enemy hands. Knights Radiant who fly too near find their Stormlight suddenly drained, so the voyage must be by sea. Shipowner Rysn Ftori lost the use of her legs but gained the companionship of Chiri-Chiri, a Stormlight-ingesting winged larkin, a species once thought extinct. Now Rysn's pet is ill, and any hope for Chiri-Chiri's recovery can be found only at the ancestral home of the larkin: Akinah. With the help of Lopen, the formerly one-armed Windrunner, Rysn must accept Navani's quest and sail into the perilous storm from which no one has returned alive. If the crew cannot uncover the secrets of the hidden island city before the wrath of its ancient guardians falls upon them, the fate of Roshar and the entire Cosmere hangs in the balance.

stormlight archive ebook: Oathbringer Brandon Sanderson, 2017 Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its

depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together--and unless Dalinar himself can confront that past--even the restoration of the Knights Radiant will not prevent the end of civilization.--Dust jacket.

stormlight archive ebook: Words of Radiance Brandon Sanderson, 2014-03-04 From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status darkeyes. Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. stormlight archive ebook: The Dark Talent Brandon Sanderson, 2018-08-27 #1 New York Times bestselling author Brandon Sanderson's Alcatraz vs. the Evil Librarians series comes to an electrifying conclusion... ..and it's about time if you ask me. By me I of course mean me, Alcatraz Smedry. This is the last chapter of my autobiography, and was the hardest one for me to write. Because, in it—I'm not a hero. In fact, I'm the one who screwed everything up for everyone else. First off, my Talent for breaking things got a little out of hand, and I ended up destroying everyone else's Talents. As in anyone who was born with a Talent no longer has a Talent and might never get their Talent back—and all because of a Talent of mine which I no longer have. Got it? Even worse, my best friend Bastille (she's a girl, and a friend, but not really my girlfriend...I think?) was put in a coma by those Librarian slugs. So I owed them one for that. And worse than worse, I needed to enter the heart of Librarian power—the dreaded Highbrary—if I was ever going to bring Bastille back to life and stop my know-it-all hotshot renegade father from unleashing chaos all over the world just because he thinks it's the right thing to do. I wasn't sure I would make it out in one piece. Or two pieces. Or even ten pieces, considering how ticked off the Librarians were with me. So if you're

willing to read about a world full of deadly dangers and fearsome foes unlike anything you've read before, turn the page. After all, I made it out alive... Though someone very close to me didn't. Praise for the Alcatraz series: Like Lemony Snicket and superhero comics rolled into one (and then revved up on steroids).— Publishers Weekly (Starred Review) An excellent choice to read aloud to the whole family. — NPR Those who enjoy their fantasy with a healthy dose of slapstick humor will be delighted. — School Library Journal Genuinely funny...plenty here to enjoy. — Locus In this original, hysterical homage to fantasy literature, Sanderson's first novel for youth recalls the best in Artemis Fowl and A Series of Unfortunate Events. — VOYA

stormlight archive ebook: The Well of Ascension Brandon Sanderson, 2010-03-30 THE INTERNATIONAL PHENOMENON BEHIND THE COSMERE The Dark Lord is dead, and now a new world can be built. The impossible has happened. The Lord Ruler is dead has been vanquished. But so too is Kelsier the man who masterminded the triumph. The awesome task of rebuilding the world has been left to his protege Vin; a one-time street urchin, now the most powerful Mistborn in the land. Worryingly for her Vin has become the focus of a new religion, a development that leaves her intensely uneasy. More worryingly still the mists have become unpredictable since the Lord Ruler died and a strage vaprous entity is stalking Vin. As the siege of Luthadel intensifies the ancient legend of the Well of Ascension offers the only glimmer of hope. But no-one knows where it is or what it can do... **** FANTASY DOESN'T GET BETTER THAN SANDERSON: 'Highly recommend to anyone hungry for a good read' ROBIN HOBB 'Epic in every sense' GUARDIAN 'Sanderson is the most immersive fantasy writer I've ever encountered' BEN AARONOVITCH 'All the explosive action any adventure fan could want' LOCUS

stormlight archive ebook: Yumi and the Nightmare Painter Brandon Sanderson, 2023-07-11 From the #1 Kickstarter campaign of all time—#1 New York Times bestselling author Brandon Sanderson adds to his Cosmere universe shared by Mistborn and The Stormlight Archive with a new standalone novel especially for fans of fantasy romances. Illustrated by Aliya Chen. There is a world. One of endless night, surrounded by an even deeper darkness. Filled with nightmares come to life, twisted shapes that slink to windows and ease open doors, sliding across floors to look down on helpless faces. There is another world. A bright world, so bright it burns. Filled with stacked stones that call forth miracles, raised by callused hands that tremble in their work, drained with each stone lifted, settled, lifted again. Between these worlds two souls connect. Collide. Entwine. A bridge. A path. A road to both worlds changing forever. Yumi has spent her entire life in strict obedience, granting her the power to summon the spirits that bestow vital aid upon her society—but she longs for even a single day as a normal person. Painter patrols the dark streets dreaming of being a hero—a goal that has led to nothing but heartache and isolation, leaving him always on the outside looking in. In their own ways, both of them face the world alone. Suddenly flung together, Yumi and Painter must strive to right the wrongs in both their lives, reconciling their past and present while maintaining the precarious balance of each of their worlds. If they cannot unravel the mystery of what brought them together before it's too late, they risk forever losing not only the bond growing between them, but the very worlds they've always struggled to protect. Note from Brandon: Even for a compulsive planner like me, sometimes a story emerges like magic. Unexpected, unprompted. You build an outline in days, craft worlds during a compulsive daydream, and develop characters with a burst of imagination like the brief flash of a firework. That was Yumi and the Nightmare Painter for me. The unanticipated story of two people who find one another. May your dreams live as mine sometimes do.

stormlight archive ebook: Steelheart Brandon Sanderson, 2013-09-26 Ten years ago, Calamity came. It was a burst in the sky that gave ordinary men and women extraordinary powers. The awed public started calling them Epics. But Epics are no friend of man. With incredible gifts came the desire to rule. And to rule man you must crush his wills. Nobody fights the Epics... nobody but the Reckoners. A shadowy group of ordinary humans, they spend their lives studying Epics, finding their weaknesses, and then assassinating them. And David wants in. He wants Steelheart - the Epic who is said to be invincible. The Epic who killed David's father. For years, like the Reckoners, David's been studying, and planning - and he has something they need. Not an object, but an experience. He's seen Steelheart bleed. And he wants revenge.
