In a spiritual marriage, couples strive to cultivate compassion, mindfulness, forgiveness, and unconditional love. This approach fosters deeper intimacy, resilience during challenges, and a more harmonious partnership. A spiritual marriage book provides guidance, exercises, and frameworks to help couples nurture this type of relationship, offering clarity on how to align their lives with higher values and spiritual principles.

spiritual marriage book: The Adornment of the Spiritual Marriage John of Ruysbroeck, 2015-09-07 The Adornment of the Spiritual Marriage is a classic title by the Flemish mystic.

spiritual marriage book: Adornment of the Spiritual Marriage John of Ruysbroeck, Wyatt North, 2020-01-13 The Blessed John of Ruysbroeck was one of the Flemish mystics. Literally, Ruysbroeck wrote as the spirit moved him. He loved to wander and meditate in the solitude of the forest adjoining the cloister; he was accustomed to carry a tablet with him, and on this to jot down his thoughts as he felt inspired so to do. Late in life he was able to declare that he had never committed aught to writing save by the motion of the Holy Ghost.

spiritual marriage book: Marriage Spirituality R. Paul Stevens, 1989-12

spiritual marriage book: Sacred Marriage Gary L. Thomas, 2008-09-09 Your marriage is more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. Scores of books have been written that offer guidance for building the marriage of your dreams. But what if God's primary intent for your marriage isn't to make you happy . . . but holy? And what if your relationship isn't as much about you and your spouse as it is about you and God? Everything about your marriage--everything--is filled with prophetic potential, with the capacity for discovering and revealing Christ's character. The respect you accord your partner; the forgiveness you humbly seek and graciously extend; the ecstasy, awe, and sheer fun of lovemaking; the history you and your spouse build with one another--in these and other facets of your marriage, Sacred Marriage uncovers the mystery of God's overarching purpose. This book may very well alter profoundly the contours of your marriage. It will most certainly change you. Because whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God, and to a spiritual integrity that, like salt, seasons the world around you with the savor of Christ.

spiritual marriage book: Unconventional & Spiritual Marriage Jeanette De Jonk, 2008-01 Don't sell your soul to the devil to protect a marriage that is stagnated, blocking your personality and spirituality. Marriage can only survive long term if it is imprinted with the elements of Spirituality which are to enjoy the simple mysteries of Love, be attentive, respectful, accepting of each other's flows and have a genuine interest in each other's physical, emotional, intellectual and material goals. This kind of intimacy will bond you with that everlasting electricity that runs through your veins. Any relationship cannot be sustained by one sided affection and work; it must be a mutual understanding between two people wanting the same path. Intimacy is a huge part of our human thirst, the lack of it will bring down any good marriage over time thereby it is imperative that we connect to our partner and his/her needs which will elevate the harmony, contentment and

happiness that come with this fulfillment. Marriage is a sacred and healing place where constant work is needed to keep that magic alive with a nurturing and caring attitude. In an ever revolving world, our life, circumstance and relationships are put to the test and it is our challenge to step beyond these adjustments and walk hand in hand with our spiritual partner to embrace the world that awaits our participation. Marriage is not a prison cell, it is a happy place where you live, learn and grow. Please come and share my journey as to how I redeemed my soul.

spiritual marriage book: *The Adornment of the Spiritual Marriage* Jan Van Ruysbroek, 2017-10-17 *The Adornment of the Spiritual Marriage* was written some time around 1350, not long after Flemish mystic Jan Van Ruysbroeck moved to a small hermitage out in the country, where he wandered the woods and wrote as the Holy Ghost inspired him. According to Jan, the development of the soul has three stages: Active, Interior, Super-essential. The Active life is that which men are most accustomed to: the life of the material world. The Interior life is the life of the spirit that is touched by religious contemplation. And the super essential life is that which lies beyond description and is man's existence in enlightenment. Written for Christians and spiritual seekers, *The Adornment of the Spiritual Marriage* is a guide for developing a deeply spiritual life.

spiritual marriage book: *Spiritual Marriage: The Curse of Illicit Sexual Union* Ebenezer Gyasi, 2018-07-17 There are certain spiritual truths you should know before you start dating, having sex, or start thinking about marriage. Ignorance of spiritual matters may become a source of problems for you and your descendants. Currently, our sexuality is under tremendous attack. Spiritual marriages to demonic entities have become a source of hidden problems in our relationships. Nothing in this world happens by chance. Not with God, nor the devil. In the realm of the spirit there are no accidents. People who allow events in their lives to pass without connecting them to spiritual issues, not only don't understand what is happening to them, they also can't do anything to change their world. This manual along with the companion books, *Killing Me Softly*, *Dad And Mom Pray For Me: Prepare The Way*, will help and equip you to trample and overcome evil enforcers assigned to steal, kill, destroy, or truncate your destiny and that of loved ones, your marriage, your family and your home, in the mighty name of Jesus. Amen!

spiritual marriage book: The Awareness of Marriage As a Spiritual Tool Bennett Dibia, 2010-07 You cannot solve a problem by using the same perception that created that problem. The Awareness of Marriage as a Spiritual Tool deals with the perception of marriage from an intuitive consciousness, a perception far beyond that of the five senses or intellectual consciousness. This book discusses the value of the union of man and woman as spiritual partners in marriage according to Creative Laws, for spiritual development and maturity, and through spiritual awakening. The goal is getting back to the life we were destined to live by recognizing that the practice of spiritual marriage requires us to connect to our spiritual essence through the intuition. We must align our thoughts, decisions, and actions with the energy of the soul, thereby fulfilling the spiritual purpose of our journey on Earth. It is about working in the Light by following three basic steps - awareness, recognition, and surrender - to the energy emanating from the Creator. It provides a true understanding of the significance and proper practice of marriage as instituted in the beginning. This book is for everyone, regardless of religion, tradition or social culture and addresses issues that transcend individuality and separation. Regardless of the levels of awareness about these concepts, the book will ignite the intuitive wiring in every soul. This will reconnect our guidance pouring down from the nonphysical helpers and guides all around us. Author Bennett Dibia is a personal finance

analyst. He is married with four children and lives in the Dallas area. He grew up in Nigeria and New York, and is writing his next book.
