Additional Resources

1. *The Mortal Instruments: City of Bones*

This is the first book in Cassandra Clare's popular Shadowhunters series. It follows Clary Fray, who discovers she is part of a secret world of Shadowhunters—human-angel hybrids who hunt demons. As Clary delves deeper into this hidden realm, she uncovers family secrets and faces deadly enemies. The novel sets the stage for an epic urban fantasy saga filled with adventure, romance, and magic.

2. *The Mortal Instruments: City of Ashes*

The thrilling second installment in the series continues Clary's journey as she struggles with newfound powers and dangerous foes. The Shadowhunters face mounting threats from demons and traitors within their ranks. Clary's relationships are tested as the stakes grow higher, and the secrets of her past come to light. This book deepens the mystery and expands the Shadowhunter world.

3. *The Infernal Devices: Clockwork Angel*

Set in Victorian London, this prequel to *The Mortal Instruments* introduces new characters and explores the origins of the Shadowhunter legacy. Tessa Gray arrives in London to uncover the truth about her mysterious abilities and family. Alongside Shadowhunters Will Herondale and Jem Carstairs, she battles sinister forces. The book blends historical fiction with fantasy and romance, enriching the Shadowhunter universe.

4. *The Infernal Devices: Clockwork Prince*

The second book in *The Infernal Devices* trilogy continues to explore Tessa's complex identity and the dark forces threatening London. Alliances are tested, and secrets unravel as the characters face heartbreak and betrayal. The narrative delves deeper into the Shadowhunters' struggles with love, loyalty, and duty. This installment heightens the emotional stakes and suspense.

5. *The Dark Artifices: Lady Midnight*

Taking place after *The Mortal Instruments*, this series follows Emma Carstairs, a young Shadowhunter seeking justice for her parents' murder. Along with her parabatai Julian Blackthorn and his siblings, Emma faces political intrigue and deadly enemies in Los Angeles. The story combines mystery, romance, and action, offering a fresh perspective on the Shadowhunter world. *Lady Midnight* explores themes of family, sacrifice, and trust.

6. *The Dark Artifices: Lord of Shadows*

The sequel to *Lady Midnight* sees Emma and Julian confronting new threats that endanger the Shadowhunter society. Their forbidden love complicates their mission, while dark conspiracies unfold around them. The novel blends intense action scenes with emotional character development. *Lord of Shadows* expands the lore and deepens the conflicts within the Shadowhunter world.

7. *The Shadowhunters Codex*

This companion book serves as an essential guide to the Shadowhunter universe, filled with lore, history, and illustrations. Presented as if written by the character Valentine Morgenstern, it provides insights into

demonology, runes, and Shadowhunter culture. Fans will appreciate the detailed background that enriches the reading experience. It's a perfect supplement for those wanting to dive deeper into the series.

8. *The Mortal Instruments: City of Glass*

The third book in the original series brings Clary to the Shadowhunter capital, Idris, where she confronts powerful enemies and unravels family mysteries. The story culminates in dramatic battles and pivotal revelations that shape the fate of the Shadowhunter world. Emotional tensions rise as relationships are tested. *City of Glass* is a gripping continuation filled with magic, danger, and twists.

9. *The Last Hours: Chain of Gold*

Set in Edwardian London, this series continues the legacy of the Shadowhunters with new protagonists connected to previous characters. *Chain of Gold* follows Cordelia Carstairs as she navigates love, friendship, and supernatural threats. The narrative weaves mystery, romance, and action against a richly detailed historical backdrop. This book expands the Shadowhunter saga while introducing fresh perspectives and challenges.

All it did was remind Kira that time was running out. That she needed to choose. Or a lot more than a forest would burn. The whole world would crumble. Aldrich escaped...again. Tristan forgot...everything. And Luke, well, Luke was getting more than a little impatient. But those were the least of Kira's concerns, because something else happened in England--something she was trying desperately to forget. A wedge of evil had lodged itself in her heart, a little black hole had nestled into her flames, and it wasn't going away--not anytime

soon...and maybe not ever. Keywords: Teen & Young Adult, Paranormal Romance, Romance, Paranormal, Vampires, Angels, Love, Action & Adventure, Magic, Fantasy RAVE REVIEWS for the Midnight Fire Series! The writing is effortlessly mind blowing. I could not put this entire series down. Once you're hooked, you won't either because it'll eat you up not knowing what happened! And then you'll pick a team like I did and you'll fall in love with all the characters and you'll want all the bad guys to die horribly! Just trust me when I say it really is your loss to miss out on this series! It's a blaze of glory! - Happy Tales and Tails Blog Kaitlyn Davis writes some of the best action scenes I have come across in a young adult book; they are fast paced and so well delivered making this more than just a silly romance. - Reflections of a Bookworm The only downside to this series, is that it ended. But the ending was beautiful. - My Seryniti Kira isn't a human girl who is one dimensional and in love with a vampire. She's a well-thought out character who comes to life from the pages and steals into your heart. Read the books. Do it. - Urban Girl Reader I love and hate how fast of a read this was! I love it because I couldn't get enough of it and hate it because once I finished I wanted more! - I Just Wanna Sit Here And Read I really enjoyed Ms Davis's writing, I was riveted throughout and was eager to see what would happen - there was drama, danger, action and romance that was wonderfully detailed and described. - Obsession With Books You'll make friends with Kira, choose sides with Tristan and Luke, and fall in love with the story at heart about a girl with so bright a future....even shades aren't gonna cut it. - Satisfaction for Insatiable Readers

shadowhunters series epub: The Shadowhunter's Codex Cassandra Clare, Joshua Lewis, 2013-10-29 Delve into the details of all things Shadowhunter with this illustrated guide to the knowledge and lore of the Shadowhunter world. Since the thirteenth century, the Shadowhunter's Codex has been the one and only manual for Shadowhunters looking to brush up on their demon languages, learn proper stele use, and discover just what exactly a pyxis is. Featured in both The Mortal Instruments and The Infernal Devices, this guide is a necessity for any young Nephilim on their journey to becoming a Shadowhunter. Beautifully illustrated, the Codex contains images of the famous Shadowhunter homeland of Idris, as well as depictions of demons and other Downworlders. But this isn't just any copy of The Shadowhunter's Codex. It's Clary's copy, and as an artist herself, she's sketched pictures of her friends and family in the book, and scrawled helpful advice in the margins. Of course, she couldn't exactly stop Jace or Simon from adding their thoughts either. Part encyclopedia, part history, part training manual—complete with commentary from Shadowhunters who have seen it all—this beautiful guide is a perfect supplement to the #1 New York Times bestselling series.

you have traded away your heart. Not even Jem.

shadowhunters series epub: City of Bones Cassandra Clare, 2009-04-14 Discover this first installment of the internationally bestselling Mortal Instruments series and “prepare to be hooked” (Entertainment Weekly). When fifteen-year-old Clary Fray heads out to the Pandemonium Club in New York City, she hardly expects to witness a murder -- much less a murder committed by three teenagers covered with strange tattoos and brandishing bizarre weapons. Then the body disappears into thin air. It's hard to call the police when the murderers are invisible to everyone else and when there is nothing -- not even a smear of blood -- to show that a boy has died. Or was he a boy? This is Clary's first meeting with the Shadowhunters, warriors dedicated to ridding the earth of demons. It's also her first encounter with Jace, a Shadowhunter who looks a little like an angel and acts a lot like a jerk. Within twenty-four hours Clary is pulled into Jace's world with a vengeance, when her mother disappears and Clary herself is attacked by a demon. But why would demons be interested in ordinary mundanes like Clary and her mother? And how did Clary suddenly get the Sight? The Shadowhunters would like to know... Exotic and gritty, exhilarating and utterly gripping, Cassandra Clare's ferociously entertaining fantasy takes readers on a wild ride that they will never want to end.
