slappy books download: Bitch Slap Michael Craft, 2025-09-23 Journalist Mark Manning has been successfully running his family's newspaper, The Dumont Daily Register, for several years now, and he sits on the board of two local companies, Quatro Press and Ashton Mills. So when the respective CEOs of these companies discuss a merger, it is only natural that Manning be interested in the proceedings. What's more, Manning's lover Neil, an architect, is designing a new house for Ashton's CEO, Gillian Reece. Reece is a business friend of Manning but not a friend to many else; she is generally considered overly aggressive and fastidious. When Manning assigns Glee Savage, the newspaper's society reporter, to cover Reece's new home, the subsequent meeting between the two does not end well: Savage huffs off in a fury but not before ferociously bitch slapping Reece in front of everyone. With Reece's cheek still smarting, more bad news comes as the accountant performing due diligence for the merger reports some very questionable items regarding Ashton's books. It seems as though things couldn't go much worse for the unpleasant Reece. That is, until she is murdered. The discovery of her body is greeted with great surprise, but perhaps not much regret

on the part of most who knew her. Still, with Manning's friend and employee Glee Savage as the obvious and primary suspect, he cannot resist wading in to this most unsound of business dealings.

slappy books download: Pet, Pet, Slap Andrew Battershill, 2024-06-04 Rocky meets Elmore Leonard meets Miranda July as Pillow Wilson, a past-his-prime boxer, trains for his last title shot. Shenanigans ensue. Boxer 'Pillow Fist' Pete Wilson should be preparing for his big comeback fight. But, having recently undergone an ethical awakening, the new vegan is busy trying to find humane new homes for his menagerie of exotic pets (including Jersey Joe the sloth and Rigoberto the shark). His roommate, Sherlock Holmes, who faked his own death by waterfall, is now Pillow's in-house doping expert. Pillow just can't get motivated to train, and he's further distracted from his push-ups when both his car and Rigoberto mysteriously disappear. Luckily, Sherlock is a master of deduction. What follows is part underdog sports story, part work of neozoological surrealism, and part existential mystery novel. Reckless, desperate, and achingly human, Battershill remains funnier than anyone else on your shelf. – Andrew F. Sullivan, author of *The Marigold* The adventures of Battershill's returning protagonist Pillow are witty and occasionally absurd, but the story never trips on ironies. Battershill twines the humanity of pulp noir with the unsettling play of surrealism to build a world in which pet sloths, Sherlock Holmes, and skilled drug pushers all seem to have found their ideal home. – Nabeh Ruthnum, author of *A Hero of Our Time* Pillow Wilson is one of my favourite characters in CanLit, and he is in fine form in *Pet, Pet, Slap*, a deeply funny, inventive, bizarre, heartbreaker of a book. Andrew Battershill not only writes with that magical alchemy of humour and pathos that most writers only wish they could pull off, but he somehow also balances surrealism and profound humanity in a way I'm sure I'll spend the rest of my life trying to figure out. I haven't had this much fun reading in a long, long time. – Amy Jones, author of *Pebble & Dove*

slappy books download: The Reality Slap Russ Harris, 2012-03-01 The "reality slap" takes many different forms. Sometimes, it's more like a punch: the death of a loved one, a serious illness, a divorce, the loss of a job, a freak accident, or a shocking betrayal. Sometimes it's a little gentler. Envy, loneliness, resentment, failure, disappointment, and rejection can sting just as much. But whatever form your reality slap takes, one thing's for sure—it hurts! And most of us don't deal with the pain very well. The Reality Slap offers a four-part path for healing from crises based on acceptance and commitment therapy. In these pages, you will learn how to: • Find peace in the midst of your pain • Rediscover calm in the midst of chaos • Turn difficult emotions into wisdom and compassion • Find fulfillment, even when you can't get what you want • Heal your wounds and emerge stronger than before Unlike some self-help books that claim you can have everything you ever wanted in life, if you only put your mind to it, this book claims that you can't have everything in life. The hard truth of this world is that we are all going to experience disappointment, frustration, failure, loss, rejection, illness, injury, aging, and death at some point. However, in spite of all this, you can still lead a rich and rewarding life. Let this book be your guide.
