summer series ebook: Bossy Bodyguard Sunny Winters, 2018-03-19 My name is Chevron Kingsley, an heir to a mega-billion dollar conglomerate. I've had bodyguards and nannies all my life. Sounds privileged, doesn't it, and I know it is a privilege. Only, I am also a recently turned 21 year-old, who has been working non-stop as President of the company since I was 15 when I took over my mother's company due to a tragedy. I've always been responsible, always been an adult even when I was technically not. Now being 21, I want to break out and live a little outside of my protected life. Maybe just for 1 day, I can get to be my age. But thanks to my new Bossy Bodyguard, I may never get to experience that. Not only does he not follow my orders, but he seems to think he knows what I want, how I want it, and where I want it. I'm ready to ditch him, but something tells me he may be just what I need, even if that sounds crazy. Whatever I think I want is just about to change... Part of the Author A Parody TV Series World

summer series ebook: Doing It for Love Cassie Mae, 2015-09-29 Cassie Mae's charming, sexy novel, perfect for fans of Emma Chase, puts a steamy twist on modern love as one bride-to-be tries to put the spark back in the bedroom—by any means necessary. Elizabeth Fanning's life looks pretty perfect, judging by the diamond ring on her finger. Her fiancé, Landon, is sweet, handsome, and hilarious. The trouble is, before they've even tied the knot, their sex life has gone from mind-blowing to "meh"—and Liz isn't ready to be part of an old married couple. After a cathartic call to her best friend, Liz comes up with a brilliant idea. She and Landon may never be able to re-create the magic of their first time, but how amazing would their wedding night be if everything below the neck was off-limits until then? Liz thinks it'll bring them closer together. Landon's convinced she'll cave first. So they raise the stakes: Whoever lasts longer gets to pick their honeymoon destination. With her heart set on the Bahamas and Landon fighting for snowbound Utah, Liz simply has to win. But pretty soon, her body is screaming for attention, and Landon's never seemed so far away. Has Liz's experiment backfired? Losing their little competition would be frustrating—but the one thing she can't afford to lose is him.
