sunday crossword puzzle pdf: Solving for Why Dr. Mark Shrike, 2022-01-25 From Mercy Ships surgeon Dr. Mark G. Shrike comes an inspiring memoir about finding the answer to life's

biggest question—Why?—and about following that answer through remarkable, unlikely places on the road to fulfillment, purpose, and joy. SOLVING FOR WHY chronicles one man's journey to find the answer to the biggest of all life's questions: Why? Following a traumatic car accident, Dr. Shrime—the child of Lebanese immigrants fleeing a civil war, who later became a successful practicing surgeon in Boston—found himself compelled to change the course of his life, determined to find meaning and satisfaction even if it meant diverting from America's idea of “success.” Featuring stories, insights, and research from his own exceptional life and work, SOLVING FOR WHY is the story of Dr. Shrime's search for—and discovery of—lifelong fulfillment. Now a global surgeon operating on a hospital ship docked off the coast of West Africa and one of the few global experts on surgery in low- and middle-income countries, Dr. Shrime seeks to impart the wisdom of the lessons he's learned over the course of his search for a life of true contentment. In the tradition of Dr. Paul Farmer's *To Repair the World*, Dr. Atul Gawande's *Better*, and Dr. Michele Harper's *The Beauty in Breaking*, SOLVING FOR WHY combines personal stories with deep, thoughtful research into the challenges of working in modern medicine in the 21st century and the commodification of work in America. A story of discovery and transformation, SOLVING FOR WHY seeks to help readers answer the “why” of their own lives and ultimately find joy outside the status quo.

sunday crossword puzzle pdf: The Last Word and the Word after That Brian D. McLaren, 2012-07-05 For all those seeking more authentic ways to hold and practice Christian faith, Brian McLaren has been an inspiring, compassionate—and provocative—voice. Starting with the award-winning *A New Kind of Christian*, McLaren offered a lively, wide-ranging fictional conversation between Pastor Dan Poole and his friend Neil Oliver as they reflected about faith, doubt, reason, mission, leadership, and spiritual practice in the emerging postmodern world. That conversation widened to include several intriguing new characters in the sequel, *The Story We Find Ourselves In*, as Dan and friends continued to explore faith-stretching themes from evolution to evangelism, from death to the meaning of life. Now, in this third installment of their adventures, Dan and his widening circle of friends grapple with conventional Christian teachings about hell and judgment and what they mean for our relationship with God and each other. Is there an alternative to the usual polar views of a just God short on mercy or a merciful God short on justice? Could our conflicted views of hell be symptoms of a deeper set of problems – misunderstandings about what God's justice and mercy are about, misconceptions about God's purpose in creating the world, deep misgivings about what kind of character God is and what the Christian gospel is for?
