the tell tale heart pdf: Tod per Knopfdruck Emran Feroz, 2017-10-02 116 zivile Drohnentote laut US-Administration. 1.427 zivile Drohnentote laut dem Bureau of Investigative Journalism. 6.000 und mehr Drohnentote, die laut ehemaligen US-Militärs unrechtmäßig getötet wurden. Seit Beginn des War on Terror gehören US-Drohnen-Angriffe in Afghanistan, Irak, Pakistan, Somalia und vielen anderen Ländern zum Alltag. Allein in seinem letzten Amtsjahr autorisierte Friedensnobelpreisträger Barack Obama den Abwurf von 26.172 Bomben. Dabei wird die Anzahl der zivilen Opfer, die sogenannten Kollateralschäden, schlicht menschenverachtend heruntergespielt. Laut Whistleblowern, aber auch dem Bureau of Investigative Journalism oder ziviler Organisationen, die den Opfern im Internet gedenken, liegt die Anzahl der Toten um ein Vielfaches über den offiziellen Zahlen der US-Administration. Wie aber gelingt es den Verantwortlichen, das wahre Ausmaß dieser Katastrophe so herunterzuspielen? Welche Interessen stecken hinter diesen

Angriffen? Und welche Rolle spielt Deutschland dabei? Emran Feroz reiste zur Recherche unter anderem in Kriegsregionen und sprach mit jenen, die von den Todesengeln, wie die Drohnen von den Betroffenen genannt werden, tagtäglich terrorisiert werden.

the tell tale heart pdf: Gezielte Tötung Frank Witzleben, 2016-11-30 Diese Studie zur gezielten Tötung greift ein kontrovers diskutiertes Thema auf: Der Einsatz von Kampfdrohnen mit dem Ziel der Tötung von Individuen fernab eines Kriegsschauplatzes hat sich zu einer Staatenpraxis entwickelt, der von Seiten der politisch führenden europäischen Nationen kein Widerstand entgegengesetzt wird. Berichte und Diskussionen innerhalb der Organisationen der Vereinten Nationen lassen dagegen erkennen, dass diese Form geheimdienstlich gesteuerter Operationen sowohl das humanitäre Völkerrecht der Genfer Konventionen als auch die maßgeblichen Menschenrechtskonventionen verletzt. Innerhalb des Völkerrechts gibt es bis heute weder eine Legaldefinition des Begriffs gezielter Tötung noch eine einheitliche Rechtsprechung auf der Grundlage des humanitären Völkerrechts. Auch im Rahmen des Rechtsregimes der Menschenrechte sind bisher keine verbindlichen Urteile zur Legalität/Illegalität gezielter Tötungen im Grenzbereich von Kriegsführung, Strafverfolgung und präventiver Gefahrenabwehr ergangen. Die vorliegende Untersuchung diskutiert die Herausforderungen an das Völkerrecht und die UN vor dem Hintergrund der asymmetrischen Kriege und des transnationalen Terrorismus.

the tell tale heart pdf: Face/On Sharrona Pearl, 2017-04-12 Are our identities attached to our faces? If so, what happens when the face connected to the self is gone forever—or replaced? In Face/On, Sharrona Pearl investigates the stakes for changing the face—and the changing stakes for the face—in both contemporary society and the sciences. The first comprehensive cultural study of face transplant surgery, Face/On reveals our true relationships to faces and facelessness, explains the significance we place on facial manipulation, and decodes how we understand loss, reconstruction, and transplantation of the face. To achieve this, Pearl draws on a vast array of sources: bioethical and medical reports, newspaper and television coverage, performances by pop culture icons, hospital records, personal interviews, films, and military files. She argues that we are on the cusp of a new ethics, in an opportune moment for reframing essentialist ideas about appearance in favor of a more expansive form of interpersonal interaction. Accessibly written and respectfully illustrated, Face/On offers a new perspective on face transplant surgery as a way to consider the self and its representation as constantly present and evolving. Highly interdisciplinary, this study will appeal to anyone wishing to know more about critical interventions into recent medicine, makeover culture, and the beauty industry.

the tell tale heart pdf: See It/Shoot It Christopher J. Fuller, 2017-04-25 An illuminating study tracing the evolution of drone technology and counterterrorism policy from the Reagan to the Obama administrations This eye-opening study uncovers the history of the most important instrument of U.S. counterterrorism today: the armed drone. It reveals that, contrary to popular belief, the CIA's covert drone program is not a product of 9/11. Rather, it is the result of U.S. counterterrorism practices extending back to an influential group of policy makers in the Reagan administration. Tracing the evolution of counterterrorism policy and drone technology from the fallout of Iran-Contra and the CIA's "Eagle Program" prototype in the mid-1980s to the emergence of al-Qaeda, Fuller shows how George W. Bush and Obama built upon or discarded strategies from the Reagan and Clinton eras as they responded to changes in the partisan environment, the perceived level of threat, and technological advances. Examining a range of counterterrorism strategies, he reveals why the CIA's drones became the United States' preferred tool for pursuing the decades-old goal of preemptively targeting anti-American terrorists around the world.

the tell tale heart pdf: *"They Only See What They Want to See"* Bernd Leiendecker, 2017-12-13 Durch Filme wie *Fight Club* oder *The Sixth Sense* ist unzuverlässiges Erzählen zur Jahrtausendwende in der Filmwissenschaft ebenso in den Blickpunkt gerückt wie beim Publikum. Unzuverlässiges Erzählen im Spielfilm ist allerdings fast so alt wie das Kino selbst. Diese Arbeit liefert eine filmhistorische Untersuchung des Phänomens erzählerischer Unzuverlässigkeit anhand von mehr als 200 relevanten Filmen aus der Zeit zwischen 1895 und 2000. Diese Untersuchung zeigt auf, dass unzuverlässiges Erzählen auf einer geringen Zahl von Erzählmustern basiert, welche im Laufe der Zeit Veränderungen unterworfen sind. Ein zweiter Analyseschritt weist nach, dass Form und Häufigkeit von unzuverlässigem Erzählen sowohl durch Innovationen in der filmischen Aufführungs- und Auswertungspraxis als auch durch gesamtgesellschaftliche Faktoren beeinflusst werden. Im Anhang erfolgt eine systematisierte Auflistung relevanter Filmbeispiele mit Verweisen auf ihre Behandlung in der weiteren Forschungsliteratur.

the tell tale heart pdf: Portrait of the Artist as a Young Adult Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others, especially their peers. For some of these individuals, the arts can help them cope with adolescent turmoil, allowing them to express their emotions in poems, stories, painting, songs, and other creative outlets. Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self-knowledge and finding their way in the world. It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others. In *Portrait of the Artist as a Young Adult: The Arts in Young Adult Literature*, Lois Thomas Stover and Connie S. Zitlow examine books in which the coming-of-age for young adults is influenced by the arts. Stover and Zitlow consider the connection between the arts and a young person's developing sense of self, the use of art to cope with loss and grief, and how young adults can use art to foster catharsis and healing. The young people in these books either identify as artists or use the arts in intentional ways to explore their identities. They often have artistic gifts that make them stand outside the norms of teenage life, yet those gifts also help them find a sense of community. Artists considered in this book include painters, photographers, sculptors, actors, directors, choreographers, dancers, composers, musicians, graffiti artists, and others. The books discussed also explore the ways adults can nurture the artist's development and understand the way young people sometimes use the arts to form their unique identity. Included is an annotated bibliography organized by art discipline, as well as an appendix about using the arts pedagogically, making *Portrait of the Artist as a Young Adult* a valuable resource for educators, parents, librarians, and young adults.

the tell tale heart pdf: AMERICAN ASWANG Manette Trogani Snow, 2023-10-19 Manette Trogani Snow always wondered why her father, Martin “Pop” Trogani punished his children by forcing them to kneel on raw rice, arms outstretched, with a stack of books piled high on their hands. In a quest to understand why Pop treated Manette and her eleven siblings so horribly, she unearthed not only her own family’s hidden histories, but also a previously unknown chapter in US history about racism, immigration, and war. In a fascinating memoir created from a twenty-five-year mission to excavate information from archives, articles, books, and interviews, Manette chronicles her journey through a childhood darkened by fear, brutality, secrets, and lies while detailing the story of her father’s family’s experiences as the only known survivors—despite being starved and tortured during the Japanese occupation of World War II—of an orchestrated campaign to expel them from the United States under the Filipino Repatriation Act of 1935. Included throughout are a treasure trove of personal and historic images, as well as additional insights obtained after the completion of Manette’s extensive research. American Aswang intertwines the true story of a Filipino-American girl’s challenging coming-of-age journey with the often horrific experiences of her father’s family as they were repatriated to the Philippines.

the tell tale heart pdf: Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960’s, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be Interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh’s Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...
