the sinner shantel tessier pdf: *The Sinner* Shantel Tessier, 2023 Little demon. I was raised in a world where money and power are at your fingertips. My father is a Lord, a very respected member of a secret society that knows no bounds. When tragedy struck my family, we discovered we weren't untouchable. Just when I thought life couldn't get any worse, I was shown what hell is really like. Then he came and saved me. The devil disguised as my personal hero. But of course, nothing is for free. Not when a soul is up for grabs. I vow. You vow. We vow. Easton Bradley Sinnett--Sin--uses his power for his own sick pleasure. Like a typical Lord, he never thought about the consequences of his actions. I grew up with him, obsessed over him, craved him. He was who I pictured when I imagined doing things my body shouldn't want. One day, I realized he was not who I thought he was. It didn't change anything, though, because I was already too far gone. If anything, I fell for him harder. Every now and then, someone enters your life who flips it upside down. Sin wrecked me in the worst way, and I thanked him for it by serving on my knees. As they say, nothing lasts forever. Men like him never stay with a woman like me. I'm what they use, not keep. So when he threw me away, I shouldn't have been all that surprised. My body had always craved the darker side of love. The kind that left bruises and scars. I was what most would call unholy. And when the devil whispered in my ear that he loved me, I was more than determined to show him just how devoted I could be--Back cover.
