theological texts download: Jewish Bible Theology Isaac Kalimi, 2012-01-01 This volume, the first of its sort, takes issue with scholars who believe that the terms biblical theology and Jews contradict rather than approximate each other. Without saying so, they automatically confirm Otto Procksch's assertion that "alle Theologie ist Christologie." In recent decades, however, there is increasing interest in earlier and current Jewish biblical theologies. A new generation of Jewish scholars demonstrate great interest in and actively engage in Hebrew Bible theology. They strive to make Jewish biblical theology a legitimate subdiscipline of biblical studies and develop it separately and independently from the Christian theology. Also, many Christian scholars are interested in understanding the Hebrew Bible / Old Testament and its various themes from Jewish theological perspectives. Thus, in response to continual interest from all sides, Isaac Kalimi presents this volume for the benefit of all. Jewish Bible Theology comprises a number of essays that raise substantial, methodological, and historical questions, while others focus on particular topics from the Torah, Prophets, and Writings. Altogether, they reflect fresh and current thinking on important issues in Jewish religious and intellectual world views.

theological texts download: Virtual Theology, Faith and Adult Education Ros Stuart-Buttle, 2013-07-29 Online learning is a key feature of the contemporary educational landscape and has entered mainstream policy, provision and practice. But if online education is to reach mature development and evaluation, it must be open to critical appraisal. This book considers the implementation of online learning within adult theological education. This can be an area of challenge or contention, especially when established academic practices and cherished values are

seen as threatened when handed over to online delivery. This opens questions about theology, pedagogy and online education. Does online teaching and learning bring or demand a new or transformed (disruptive) pedagogy or does it result in maintenance or replication (sustaining) of traditional values and existing practices? What might the opportunities and benefits be? Who stands to gain? Who stands to lose? And what evidence is there to evaluate the quality of 'doing theology' online? This book examines a long-standing programme of continuing professional development delivered fully online to adult practitioners working across Christian education and ministry settings. It builds upon the author's international experience as an online educator for over a decade. Key themes relate adult learning to theological pedagogy, authority, and online community. The concept of interruptive pedagogy is presented as an interpretative model to critically appraise an approach to online education that draws on the best theological tradition yet also looks to the future.

theological texts download: Doing Jewish Theology Rabbi Neil Gillman, PhD, 2011-02-07 An Intellectually Rich and Challenging Exploration of Modern Jewish Theology How we deal with revelation determines how we handle the issue of authority in belief and practice. How we understand authority determines how we deal with the claims of the tradition on us; how we deal with those claims determines how we shape our own Judaism. That conclusion opens the gate to a reconsideration of all of Judaism's theology, in particular how we understand God, for God is at the heart of Torah. —from the Introduction With clarity and passion, award-winning teacher, author and theologian Neil Gillman captures the power of Jewish theological claims and reveals extraordinary insights into Jewish identity, the purpose of religion, and our relationship with God. Drawing from Judaism's sacred texts as well as great thinkers such as Mordecai Kaplan, Abraham Joshua Heschel, and Paul Tillich, Gillman traces his theological journey over four decades of study, beginning with his own understanding of revelation. He explores the role of symbol and myth in our understanding of the nature of God and covenant. He examines the importance of community in both determining authority and sanctifying sacred space. By charting the development of his own personal theology, Gillman explores the evolution of Jewish thought and its implications for modern Jewish religious

identity today and in the future.

theological texts download: Gospel Theology John Kuyper Liberty, 2021-05-07 The gospel of

Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals, and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation (upward theology), how we understand and relate to ourselves and other Christians (inward theology), and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians (outward theology). This monumental resource written for all people includes chapter titles like The Good News of God's Word, Gospel Worship, Gospel Joy, The Gospel and Money, The Gospel-Centered Home, The Gospel and Work, and Gospel Society. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.

theological texts download: The Origin of Israelite Zion Theology Antti Laato, 2018-08-23

In this examination of Zion theology and how it arises in the book of Psalms Antti Laato's starting-point is that the Hebrew Bible is the product of the exilic and postexilic times, which nonetheless contains older traditions that have played a significant role in the development of the text. Laato seeks out these older mythical traditions related to Zion using a comparative methodology and looking at Biblical traditions alongside Ugaritic texts and other ancient Near Eastern material. As such Laato provides a historical background for Zion theology which he can apply more broadly to the Psalms. In addition, Laato argues that Zion-related theology in the Psalms is closely related to two events recounted in the Hebrew Bible. First, the architectural details of the Temple of Solomon (1 Kings 6-7), which can be compared with older mythical Zion-related traditions. Second, the religious traditions related to the reigns of David and Solomon such as the Ark Narrative, which ends with David's transfer of the Ark to Jerusalem (2 Sam 6). From this Laato

builds an argument for a possible setting in Jerusalem at the time of David and Solomon for the Zion theology that emerges in the Psalms.

theological texts download: Early Ecotheology and Joseph Sittler Panu Pihkala, 2017
When did Christians begin to address environmental questions? What can be learned from these pioneering thinkers? This study reveals that between 1910 and 1954 many theologians called for responsibility towards nature. The focal point is the work of Joseph Sittler (1904-1987), an American Lutheran and ecumenical theologian. The role of these early ecotheologians is discussed in relation to environmental history and education. The findings show that ecotheology was not as strongly separated from other environmentalism as it was after the 1960s. (Series: Studies in Religion and the Environment / Studien zur Religion und Umwelt, Vol. 12) [Subject: Religious Studies, Environmental Studies, Ecotheology, Joseph Sittler]
