The Legacy of Warren Murphy

Warren Murphy is renowned for his prolific contributions to the thriller and mystery genres. As an award-winning author, Murphy's writing career spans decades, with his works celebrated by critics and readers alike. His creative storytelling, memorable characters, and sharp wit have left a lasting impression on the literary world.

Background and Career Highlights

Murphy began his career as a journalist before transitioning to fiction. He quickly gained recognition for his unique style and ability to blend suspense with humor. Over the years, Murphy authored hundreds of novels, short stories, and screenplays, many of which have been adapted into audiobooks.

- Multiple Edgar Award winner
- Co-creator of bestselling series
- Influential figure in mystery and crime fiction
- Collaborated with other acclaimed writers

Impact on the Audiobook Industry

The adaptation of Warren Murphy's novels into audiobooks has introduced his stories to a broader audience. Narrators bring his characters to life, enhancing the immersive experience for fans and newcomers. Murphy's works remain popular choices among audiobook listeners, thanks to their timeless appeal and engaging plots.

Popular Warren Murphy Audiobook Series

Warren Murphy's bibliography boasts several standout series that have captivated listeners worldwide. These audiobooks showcase Murphy's versatility and talent for crafting unforgettable adventures.

The Destroyer Series

Perhaps Murphy's most famous creation, The Destroyer series, co-authored with Richard Sapir, follows the exploits of Remo Williams, a government assassin trained in the ancient martial art of Sinanju. The series blends action, intrigue, and satire, making it a favorite among audiobook enthusiasts.

1. Fast-paced action and clever humor
2. Memorable characters like Remo Williams and Chiun
3. Over 150 titles in the series

Trace Series

Murphy's Trace series revolves around private investigator Digger Trace and features a mix of suspense, humor, and surprising twists. Audiobook adaptations of this series allow listeners to enjoy Murphy's trademark wit and sharp dialogue.

Additional Standalone Titles

Alongside his series, Warren Murphy wrote numerous standalone novels, many of which have been converted into audiobooks. These titles showcase his range in genres such as mystery, crime, and satire, offering listeners a variety of options.

Benefits of Listening to Warren Murphy Audiobooks

Audiobooks provide a convenient and engaging way to experience Warren Murphy's stories. Whether you're commuting, exercising, or relaxing at home, audiobooks offer flexibility and accessibility.

Immersive Storytelling

Professional narrators enhance Murphy's storytelling, infusing characters with personality and emotion. This immersive format allows listeners to experience the suspense and humor in a new dimension.

Accessibility and Convenience

- Listen anytime, anywhere
- Compatible with smartphones, tablets, and computers
- Ideal for multitasking

Variety of Titles

With a vast selection of Warren Murphy audiobooks available, listeners can choose from series, standalones, and collaborations. This variety ensures there's something for every taste and preference.

Where to Find Warren Murphy Audiobooks

Warren Murphy audiobooks are available on leading digital platforms and through local libraries. As demand for audiobooks continues to grow, access to Murphy's catalog has become easier than ever.

Major Audiobook Retailers

Top audiobook retailers offer a wide selection of Warren Murphy titles, often providing sample clips and reviews to help listeners choose. These platforms typically feature new releases as well as classic works.

Library and Subscription Services

- Public libraries offer free access to audiobooks via digital lending services
- Subscription platforms provide unlimited listening options
- Discounts and bundles for popular series

Physical Formats and Collectibles

For collectors and enthusiasts, some Warren Murphy audiobooks are available in CD or cassette formats. These editions may include exclusive cover art or bonus content, appealing to dedicated fans.

Tips for Choosing the Best Warren Murphy Audiobooks

Selecting the right Warren Murphy audiobook depends on your interests, preferred narrator, and listening habits. By considering these factors, you can enhance your audiobook experience.

Consider the Series

If you enjoy long-running sagas, start with The Destroyer series. For those who prefer standalone mysteries, explore Murphy's individual novels or the Trace series.

Check Narrator Reviews

A skilled narrator can elevate the listening experience. Look for audiobooks with positive narrator reviews, as performance plays a key role in bringing Murphy's stories to life.

Explore Sample Chapters

- Listen to sample audio clips before purchasing
- Evaluate pacing and tone
- Ensure the narrator's style matches your preferences

Choose Based on Format

Decide whether you prefer digital downloads, streaming, or physical copies. Consider your device compatibility and storage needs when making a selection.

warren murphy audiobooks: *Flint Bluff* James Duermeyer, *Flint Bluff*, a silver medal winner from the Independent Publishers, has received high praise from its readers. The novel is an extraordinary saga following three generations in the lives of several families as they settle a frontier community along the Mississippi River, which would become the city of Burlington, Iowa. Award winning author James Duermeyer creates a colorful tapestry of the period of 1833 to 1900 in which the American frontier became a magnet, drawing individuals to the vast lands of the newly opened Louisiana Purchase. You will meet European immigrants, Native Americans, and African Americans as they all make their way in this new community. Based on true historical events of the era, this richly detailed fictional story follows key figures of two families as they grow and face tremendous challenges, including Indian attacks, outlaws, the growing pains of the frontier town, participation in the siege of Vicksburg during Civil War, as well as strained family dynamics. The author skillfully incorporates events of humor, character-building, pathos, love, war, crime, and spirituality in this exciting, entertaining, and informative read that you will surely enjoy.

warren murphy audiobooks: *Tricks of the Trade* J.R. Roberts, . . . *DIE BY THE GUN* Clint Adams knows that the average gunfighter doesn't live to a ripe old age. Making a living from slapping leather will do that. So he's surprised to learn that one of the most feared elder statesmen of gunfire is still breathing—and looking for him. Over the years, Two-Cent Luke Drogan has put down more men than most undertakers. With ice for blood and nerves of steel, he has survived a lifetime of hot lead, leaving bodies in his wake. Now, like an old wolf that's outlived all his prey, Drogan knows he has only one thing left to do: face down the Gunsmith—and kill him. Two masters of the six-gun. Two living legends of the Old West. Only one will walk away...

warren murphy audiobooks: *Dust on the Wind* Bill Brooks, *IT WAS SOMETHING LIKE JUSTICE... AND SOMETHING LIKE REVENGE. GUNMAN* They came to the frontier to escape their pasts and build their future. They came as cowhands, gamblers, homesteaders, and whores. Among them were those who would kill for pleasure or a price—and those, like Quint McCannon, who hunted killers down. *LAWMAN* It was a long, hard ride from Deadwood to Cheyenne, and when McCannon arrived, he was greeted by the worst news a man could hear: his best friend and partner had been murdered. Now, McCannon—a man who knows violence, friendship, and the empty places in between is heading on a trail across the frontier in search of a maddog killer. *DEAD MAN* Forced to choose between a good woman in Nebraska and the obsession that's eating away at his soul, McCannon shares his journey with a curious-minded Texan named Jake True, a lovesick whore named Sugar Brown, and a host of misfits, tale tellers, fugitives and gunslingers, from Roy Bean to an actor named Cody. For McCannon, it's a journey through the madness and glory of the West—to one moment with a gun...

warren murphy audiobooks: *Lay it on the Line* Catherine Dain, *A FREDDIE O'NEAL MYSTERY* For fun, she likes a game of Keno. To relax, she'll hang out with her cats. And for excitement, nothing beats piloting a plane. But when it comes to crime—in a gambling town like Reno—Freddie O'Neal is all business. *A GAMBLER AND A GUMSHOE* Freddie figures she's got some legwork to do when an ex-chorus girl asks for her help. Joan Halliday says her elderly father's being conned by his caretakers—and a little investigation is needed. But the case gets more complicated when a murder—and a tangled mess of family secrets—are discovered. And before she knows it, Freddie's gambling with her own life.... She's a unique, engaging crime-solver in a terrific new series.—Judith Kelman, bestselling author of *The House on the Hill* Appealing characters and an intriguing plot...a winner.—LINDA GRANT, author of *Love Nor Money*

warren murphy audiobooks: *Wyandotte Bound* George T. Arnold, *Bound*, like many other strong words, finds its meaning in the perceptions of those it affects. To the Van Sheltons, it is positive and deep-rooted, defining their ties to a vast amount of land abundant in the timber, cattle, and silver that make them the wealthiest and the most powerful family in the town of Wyandotte and influential throughout the state of Nevada. To J.D. Rohr, who has no money and few prospects, *bound* is a hopeful force, driving him to Wyandotte, where he assumes the identity of Jesse Bodine in a desperate attempt to live in obscurity, hiding from his reputation as one of the West's most feared

gunfighters. For Dr. Frederick Albert Carlisle, an aristocratic Boston physician who becomes Jesse's friend despite their romantic rivalry, bound is a magnetic lure that compels him to abandon his Beacon Hill mansion, his upper-class privileges, and his affluent patients in a quest to give meaning to his life by serving poor westerners sorely in need of his healing knowledge. As for Honoria Lowell Blaire and Lillian Tomlinson Wellesley, blue-blooded descendants of two of New England's oldest and most distinguished families, bound represents the chains that will bind them to "a God-forsaken wilderness" if they choose to live with the men they love instead of clinging to their pampered lives among America's nobility. And for the incomparably beautiful Jolene Lloyd, being bound is the same as virtual imprisonment when she is coerced into saving her family from financial catastrophe by being shackled to a ruthless, emasculated tyrant driven by hatred and bitterness to take control of Wyandotte and force the mighty Van Sheltons to grovel at his feet. These and the other men and women of Wyandotte, the good and the bad, battle for a quarter of a century to determine their region's fate during the fading years of the Western Frontier.

warren murphy audiobooks: Operation Phoenix Jerry Ahern, Two more people important to the Rourkes face death. The family declares it is time to go on the offense...and so, the hunt for those hunting them begins with a vengeance. Click...click...click. Natalia's Bali-Song sings as it opens and closes and she and Michael don battle gear once more to fight side by side...to the death if need be. It feels like the old days... when the John Thomas Rourke legend first began. Once again the family is in danger...once again the world is in danger and about to die. Again, the question must be asked...with all of the danger and all of the death...can John Thomas Rourke survive? Like a Phoenix rising from its own ashes, the Rourke story begins again.

warren murphy audiobooks: The Ambush of Belle Starr J.R. Roberts, Clint goes to the Oklahoma Indian Territory to help Belle Starr, at the behest of Roxy Doyle, Lady Gunsmith, who is friends with Belle. However, Roxy is unavailable to help, which is why she asked the Gunsmith to take her place. For this reason, Clint is in the Oklahoma Indian Territory when Belle Starr is shot. Because he feels he didn't do what Roxy asked him to do, he feels it is his responsibility to find out who shot Belle. In addition, he must keep Belle Starr from being shot again, and keep himself alive, at the same time.

warren murphy audiobooks: Dead End Pass J.R. Roberts, A BLACK DAY IN GREEN LEAF News of his buddy, Frank Zeller, being robbed and nearly killed sends Clint Adams charging into Green Leaf, Arizona. It seems that the pack of murderous thieves that spared his friend's life were not suddenly overcome with compassion—they were sending out a message. Don't expect to get your lumber shipment into Green Leaf without the same happening to you... or worse. The Gunsmith has his own message for the foolhardy bandits. But why should he have to write, when he can draw...

warren murphy audiobooks: Pilgrims in Paradise Frank G. Slaughter, It was a cold winter day in the England of 1647, and Paul Sutton, a young doctor, began to feel the lure of the tropics. But when he signed on as medical officer to a shipload of pilgrims bound for the Bahamas, the beckoning attractions spelled far more than escape—for Paul knew that the pilgrims' leader, his own brother, was a religious fanatic. Throughout the journey, Paul tried to help and understand his brother, Silas, for he knew the resolve that motivated the Puritan band to seek a new home. But despite his efforts, Paul soon found himself enveloped in the torment of a deep and forbidden love for the beautiful Anne Trevor, his brother's fiancée. PILGRIMS IN PARADISE, with its remarkable portrait of a religious zealot bent on carrying the cause of the non-conformists to the New World, of the settlement and incipient rebellion against Silas' iron rule, of bigotry, superstition and passion, of war and trial for life, is rewarding and realistic reading—another in Frank G. Slaughter's long line of successful novels.

warren murphy audiobooks: Brotherly Love J.R. Roberts, In Labyrinth, Texas, Rick Hartman comes to Clint's hotel, interrupts Clint while he's with a woman, to tell him there's a man at Rick's saloon claiming to be Clint's brother. Does Clint Adams have a brother? And, if he does, is this him? Some of the Gunsmith's family past comes to light, but while the question of whether or not this is his brother is not yet resolved, the man is killed. Clint must not only discover who killed him, but

what the man's true identity might have been.

warren murphy audiobooks: The Grand Prize J.R. Roberts, NIGHT AT THE FIGHTS Clint Adams is the fastest shot around. But without his trusty Colt at his side, is he really? He's put to the true test when his weapon is stolen by some two-timing gamblers. Clint's quest to find the gun and its captors leads him to MescalL a makeshift, roving town set up for illegal boxing matches. It's a place where the might of bare knuckles and sheer strength determines who is victorious. Looks like Clint might have to become a contender to get his treasured gun back. And the Gunsmith doesn't know what he wants to do more—get a good grip on his Colt again or on the thieving rascals' necks...

warren murphy audiobooks: The Devil's Spark J.R. Roberts, MAJOR PAIN Clint Adams's travels lead him to Gemmell, Idaho, where he renews his friendship with fellow gunsmith Peter Banks. Surprised to find Peter so prosperous in such a small town, Clint learns that the U.S. Army is one of his regular clients—and they've just commissioned him to develop a variation on the Gatling gun. Unfortunately, Peter's had no luck keeping his work secret. Also interested in the weapon is a gang of thugs in the employ of a mysterious man known only as the Major. And when Peter is wounded in a gunfight with these owlhoots, it's up to the Gunsmith to pull rank on the Major...

warren murphy audiobooks: The Lucky Lady J.R. Roberts, TAKING OUT THE TRASH Clint is getting pretty used to the high life. A short break from the trail has turned into one long hiatus in the classiest casino in San Francisco, where he's hard at work cementing his reputation as a big-time gambler—and ladies' man... But over in the neighboring town of Crystall, there's more at stake than cold hard cash. Some low-down desperadoes have taken up residence in The Lucky Lady saloon and are milking the owner of all his profits. Clint can rake in the biggest pot of his life—a piece of The Lucky Lady—if he wins the luck of the draw...

warren murphy audiobooks: Running with the Dead Jay Brandon, Sex, murder, intimidation, politics, and a personal grudge combine in a white-hot legal thriller by Jay Brandon, “a talent to be reckoned with. Rave Reviews Chris Sinclair is haunted by ghosts: the ghost of Malachi Reese, a murderer whom Chris put on death row, and the ghost of Henry Claremont, a dedicated high-school teacher whom Chris defended when Henry was accused of sexually abusing a student. Reese is still alive and in prison, but he's petitioned for a new trial, claiming that someone else who looks uncannily like him actually committed the crimes for which he was convicted. Henry is dead, brutally killed less than a week after Chris won his acquittal. Four years later, H.R. Hike Grimason, then the school's varsity basketball coach and now deputy superintendent of the school district, is on trial for his murder. Grimason and Henry became adversaries when Henry accused Grimason of taking bribes from parents in return for giving their sons more playing time. Recently, evidence has come to light linking Hike to Henry's murder. Chris has vowed to secure justice for his departed friend, but it won't be easy. A key witness at Henry's original trial, a woman who revealed her affair with the teacher to save him, lost both her job and her family as a result of her testimony. Now she is unwilling to relive the pain of the first trial, and Grimason has intimidated other witnesses who might testify against him. Chris won't back down in the face of Grimason's tactics—or those of his defense attorney, a former judge with whom Sinclair has a history. Worse yet, the specter of Malachi Reese won't leave him to prosecute one trial at a time. Because Reese—or his doppelgänger—has targeted Chris and his daughter, Clarissa, with murderous attacks. “Brandon is among the best in the legal-thriller business at catching the real atmosphere of a trial.” —PUBLISHERS WEEKLY “I've long been persuaded that Jay Brandon is the finest writer of legal thrillers in the country.”—JEREMIAH HEALY, bestselling author of TURNABOUT

warren murphy audiobooks: WW III Ian Slater, “Superior to Tom Clancy genre, with characters that came alive...and the military aspect far more realistic.” THE SPECTATOR The strategy, the weapons, the human story. It can happen. THE NEXT WAR In the Pacific—Off Korea's east coast, 185 miles south of the DMZ six Russian-made TU-22M Backfires come in low, traveling at Mach .9. Each carries two seven-hundred-pound cluster bombs, three one-thousand-pound iron or high-explosive bombs, ten one-thousand-pound concrete-piercing bombs, and fifty

two-hundred-pound FAEs (fuel air explosives, closely related to Napalm). In Europe—Twenty Soviet Warsaw Pact infantry divisions and four thousand tanks begin to move. They are preceded by hundreds of strike aircraft: SU-24/Fencers for ground support and MiG-29s with air-to-air Alamo and antiradiation, antiradar air-to-surface missiles, with Russian NR-30 mm tank-destroying cannon. All are pointed toward the Fulda Gap. So it begins....WW III

warren murphy audiobooks: *Crown of Destiny* Sandra Worth, The sequel to the award-winning *The Rose of York: Love & War* Shakespeare claims Richard III murdered his nephews, the Princes in the Tower, for their throne, but *Crown of Destiny* tells a different, well-documented and dramatic story. Here is the reluctant king whose little known legacy of Blind Justice will, centuries later, flower into modern Western democracy. Set in Malory's England during the Wars of the Roses, the fifteenth century is a dangerous era when the passions of a few determine the fate of a nation. After Edward IV's death in 1483, his detested queen Elizabeth Woodville makes a grab for power in a court rotten with intrigue. To avert civil war, Richard of Gloucester must betray his brother's secret, for which another brother has already died. With war looming, to protect those he loves, Richard is forced into the most excruciating decision of his life, one that will change the course of history. *The Rose of York: Crown of Destiny* continues a story that speaks to the core of our human existence. Depicted through magical and skillful prose and drawn with great passion and insight, Worth's Richard III is the Richard no reader can ever forget. —Wendy Dunn, author of *Dear Heart, How Like You This?*, winner of the 2003 Glyph Award for Best Adult Fiction. I have never read another novelist who shows such a convincing feel... She makes a point of not saying anything contrary to the historical record, of which she has an encyclopedic knowledge. *Crown of Destiny* has...more politics than the first novel of this trilogy, *Love & War*, my Favorite Romance Read of 2003. Even though I know what will happen in the final novel, *Fall from Grace* ... I look forward to it with sympathetic trepidation. All three are multiple award winners. —Joy Calderwood, Reviewers Choice Reviews Worth has done meticulous research... Though conversations and some incidents must of necessity be invented, she makes them seem so real that one agrees this must have been what they said, the way things happened. —Myrna Smith, Reading Editor, Ricardian Register, Quarterly Publication of the U.S. Richard III Society, Inc.

warren murphy audiobooks: *The Sea of Moons* Mack Maloney, Three adventures of Agent Chris Starr, U.S. Naval Intelligence & Law Enforcement Angels Aren't Cheap — When Chris Starr is dispatched to Ireland to find a rogue Navy SEAL, he meets a beautiful Irish detective who's ESP talents seem to rival his own. *The Sea of Moons* — Starr goes undercover as a powerboat racer to stop the Chinese from stealing a top-secret experimental engine intended for the SEALs. But when he gets shipwrecked on a deserted Tahitian island, Chris discovers the Chinese are the least of his problems. *The Haunted Saddle* — The first reality show sanctioned by the Pentagon goes awry when one of the participants disappears during filming. With help from his model girlfriend, Angel, and a 1930s cowboy movie called *The Haunted Saddle*, Starr discovers the only ghosts haunting the TV set look suspiciously like intelligence operatives.

warren murphy audiobooks: *Catch Me, Kill Me* Bill Brooks, Truth is, everybody's going to hurt you: you just got to find the ones worth suffering for.—Bob Marley When Nina's boyfriend Ray, uses her as collateral in a drug deal she realizes that you don't know what love is until you've experienced what it isn't. Bobby Lee, a gutsy boxer, is told by his corrupt manager to throw a big fight or pay a heavy price, with his life. Nina finds only one chance to get out of the situation her boyfriend Ray has put her into. And when the guy who holds her until Ray returns, rapes her then makes the fatal mistake of dozing off, well, she sees the gun and puts him to sleep forever. Bobby Lee's pride won't let him go out the way his manager wants him to. Instead he'll take his chances and knocks his opponent out and goes on the run because he knows the price he'll have to pay for the "betrayal." It is a dark fate that brings together the boxer and the girl with a gun, a bag of cash and drugs as they race across the country just one jump ahead of men who would see them dead and buried. Jim Thompson fans will love this book

warren murphy audiobooks: *Guilty as Charged* J.R. Roberts, WANTED: THE GUNSMITH

Waylon City, Montana, is supposed to be Clint Adams's one chance to rest his weary bones. But a vacation is not in the cards when a night out with his fetching date, Emma, is cut short by gunfire. Clint has no choice but to protect himself—and now a man's dead, Emma's wounded, and all fingers are pointing to the Gunsmith. Quiet Waylon City doesn't want any trouble or troublemakers. A trial is not necessary when simply hanging a man will do. Now Clint is on the run and must find some way to clear his name. If not, he'll be the wanted man...dead or alive.

warren murphy audiobooks: The Brothers Robert J. Conley, Robert Conley spins a fast-action tall tale salted with Western humor.—Elmer Kelton, author of *The Time It Never Rained* Half Cherokee and Civil War veteran Captain Skylar Garret returns to the home of Phillip Garret his white father, seeking an inheritance that he believes to have belonged to his late mother. Intertwined now into the lives of his three half brothers—one a vocal atheist, one an aspiring minister, and the other a black slave boy who Phillip Garret doesn't claim—Skylar finds himself in more than a quarrel for money, but also in the middle of a love triangle with his own father, and ultimately on trial for patricide. Will Skylar Garret be the next hanging from Judge Parker's court? PRAISE FOR ROBERT J. CONLEY Conley speaks with a clear Cherokee Indian voice to show how his tribe's cultural characteristics have survived centuries of abrupt change.—The Cherokee Advocate ...his prose and analyses, effortlessly blending indigenous and local knowledge with the larger Western cultural canon, have undeniable charm and enduring value.—Publishers Weekly [Robert Conley is] in the ranks of N. Scott Momaday, Louise Erdrich, James Welch or W. P. Kinsella as interpreters of the many facets of the Native American experience. —Fort Worth Star-Telegram No one weaves a tribal story quite like Robert Conley. Conley's books are entertaining, colorful, and chock-full of tribal history and culture.—Wilma R Mankiller, former Principal Chief of the Cherokee Nation Robert Conley is one of the most underrated and overlooked writers of our time, as well as the most skilled.—Don Coldsmith, author of *Moon of Madness*
