Understanding UFO Interview Transcripts

UFO interview transcripts refer to documented conversations, either written or audio-transcribed, between witnesses, officials, or alleged extraterrestrials regarding unidentified flying objects (UFOs). These transcripts serve as valuable records for researchers and enthusiasts seeking to analyze the details of UFO sightings and encounters. By preserving firsthand accounts, these documents provide context, chronology, and depth to reported incidents. The term is commonly associated with both government debriefings and private interviews with UFO witnesses, and it often includes discussions about the nature of the observed phenomena, physical evidence, and personal experiences.

UFO interview transcripts are essential for building a database of UFO encounters, allowing analysts to identify patterns, similarities, and potential correlations across different cases. Researchers often use these transcripts to verify claims, investigate authenticity, and cross-reference reports with other sources. As interest in UFOs grows, the demand for credible, well-documented interview transcripts continues to rise, making them a cornerstone of modern ufology.

Origins and Historical Context

The origins of UFO interview transcripts date back to the mid-20th century, coinciding with the surge of UFO sightings following World War II. Governments, particularly in the United States, began systematically documenting witness testimonies and conducting interviews with military personnel and civilians who reported encounters with unexplained aerial phenomena. Projects such as Blue Book and Condon Report relied heavily on interview transcripts to compile data and analyze incidents.

As interest in UFOs expanded, private organizations and independent researchers also began conducting interviews, often publishing transcripts for public review. These historical records offer insight into the evolution of UFO investigations, reflecting changes in scientific approach, public sentiment, and official policy. The historical context surrounding these transcripts helps researchers understand the broader societal and cultural factors influencing UFO reports and the handling of related information.

Common Elements in UFO Interview Transcripts

Most UFO interview transcripts share several key elements that contribute to their utility and reliability. These features help ensure that the information presented is clear, organized, and useful for research or analysis. While the structure may vary depending on the interviewer or the context, certain components are consistently present in authentic transcripts.

- **Introduction:** Basic information about the interviewee, interviewer, date, and location.
- **Event Description:** Detailed account of the sighting or encounter, including time, place, weather conditions, and physical observations.
- **Witness Reactions:** Emotional and psychological responses of those involved.
- **Follow-up Questions:** Clarifications and additional details requested by the interviewer.

- **Supporting Evidence:** References to photographs, videos, or physical artifacts, if available.
- **Conclusion:** Summary of the interview, any next steps, and closing remarks.

These elements help researchers systematically analyze the content of UFO interview transcripts, identify credible accounts, and distinguish genuine experiences from hoaxes or misinterpretations.

Authenticity and Verification

The authenticity of UFO interview transcripts is a critical concern for researchers and the public alike. Given the controversial nature of UFO phenomena, transcripts must undergo rigorous verification to ensure credibility. Authenticity is assessed based on the reliability of the interviewee, the reputation of the interviewer, and the presence of corroborating evidence such as official reports, photographs, or third-party testimonies.

Verification often involves cross-referencing details from the transcript with other documented sources, such as military logs, radar data, or independent witness statements. Researchers may also analyze linguistic cues, behavioral responses, and consistency across multiple interviews to detect signs of fabrication or exaggeration. Ensuring transparency and accuracy in the creation and publication of UFO interview transcripts is essential for advancing legitimate scientific inquiry.

Impact on Ufology and Public Perception

UFO interview transcripts play a pivotal role in shaping the field of ufology and influencing public perception about extraterrestrial encounters. By providing detailed, firsthand accounts, these transcripts lend credibility to witness testimonies and foster a deeper understanding of unexplained aerial phenomena. The dissemination of authentic transcripts encourages open discussion, sparks curiosity, and prompts further investigation by both amateurs and professionals.

Public access to UFO interview transcripts has contributed to the normalization of UFO research, reducing stigma and encouraging more witnesses to come forward. At the same time, sensationalized or unverified transcripts can perpetuate myths, fuel conspiracy theories, and undermine serious scientific efforts. The balance between transparency and skepticism is vital for maintaining the integrity of UFO studies and ensuring that public

discourse remains informed and rational.

Famous UFO Interview Transcript Cases

Several high-profile UFO interview transcript cases have captured global attention and contributed significantly to the study of unidentified aerial phenomena. These cases often involve military personnel, government officials, or multiple independent witnesses, lending weight to their credibility and impact.

1. **Roswell Incident (1947):** The Roswell case is perhaps the most famous UFO-related event, involving interviews with military staff and local witnesses. Transcripts from these interviews have been widely analyzed and debated.
2. **Betty and Barney Hill Abduction (1961):** This case features detailed transcripts of hypnotic regression interviews with the Hills, describing their alleged abduction by extraterrestrials.
3. **Rendlesham Forest Incident (1980):** Interviews with US Air Force personnel stationed in the UK resulted in extensive transcripts documenting their close encounters with a mysterious craft.
4. **Phoenix Lights (1997):** Multiple witness interviews were transcribed following the sighting of massive lights over Arizona, providing a comprehensive record of the event.

These famous cases highlight the importance of interview transcripts in preserving the details of major UFO events and facilitating ongoing research and debate.

How UFO Interview Transcripts Are Created

The process of creating a UFO interview transcript involves careful planning, detailed documentation, and rigorous analysis. Typically, an interview is conducted by a trained investigator, researcher, or journalist, either in person or via remote communication. The conversation is recorded using audio devices, video cameras, or written notes, ensuring an accurate account of the witness's testimony.

Once the interview is complete, the recording is transcribed into written form, with attention to detail and accuracy. Transcribers must capture not only the words but also the tone, emotional responses, and any relevant background noise or interruptions. After transcription, the document is

reviewed for errors, organized into a readable format, and annotated with contextual information such as dates, locations, and relevant supporting evidence. The finalized transcript is then stored in archives, published for research purposes, or shared with the public, depending on the nature of the case and the wishes of the interviewee.

Frequently Asked Questions About UFO Interview Transcripts

Q: What is a UFO interview transcript?

A: A UFO interview transcript is a written record of a conversation between a witness, investigator, or official regarding a UFO sighting or encounter, preserving firsthand testimony for analysis and research.

Q: How are UFO interview transcripts verified for authenticity?

A: Verification involves cross-referencing details within the transcript with other sources such as official reports, radar data, photographs, or independent witness statements to ensure accuracy and credibility.

Q: Why are UFO interview transcripts important for ufology?

A: They provide detailed, firsthand accounts of UFO encounters, allowing researchers to analyze patterns, corroborate evidence, and build a credible database of incidents.

Q: Which famous UFO cases include notable interview transcripts?

A: Famous cases such as the Roswell Incident, Betty and Barney Hill Abduction, Rendlesham Forest Incident, and Phoenix Lights feature well-documented transcripts that have significantly impacted UFO research.

Q: What information is typically found in a UFO interview transcript?

A: Transcripts generally include an introduction, event description, witness reactions, follow-up questions, supporting evidence, and a conclusion summarizing the interview.

Q: How do researchers use UFO interview transcripts?

A: Researchers analyze transcripts to identify credible accounts, study patterns across different encounters, and support scientific investigations into unexplained aerial phenomena.

Q: Are all UFO interview transcripts made public?

A: Not always. Some transcripts remain classified due to national security concerns or are kept confidential at the request of witnesses, while others are published for public review.

Q: Do government agencies create UFO interview transcripts?

A: Yes, agencies such as the US Air Force and other official bodies have created and archived interview transcripts as part of their investigations into UFO sightings.

Q: Can UFO interview transcripts be fabricated?

A: While most are genuine, some transcripts may be fabricated or exaggerated. Verification and cross-referencing are essential to ensure authenticity.

Q: How can I access authentic UFO interview transcripts?

A: Authentic transcripts can be found in official archives, research publications, and reputable ufology organizations that investigate and document UFO encounters.

ufo interview transcript: Alien Interview Lawrence R. Spencer, 2008-01-01 The content of this book is the letter, Top Secret interview transcripts and personal notes received from the late Matilda O'Donnell MacElroy, an Army Air Force nurse who stationed at the Roswell Army Air Field 509th Bomb Group. Her letter asserts that this material is based on a series of interviews she

conducted with an extraterrestrial being as part of her official duty as a nurse in the U.S. Army Air Force. During July and August she interviewed a saucer pilot who crashed near Roswell, New Mexico on July 8th, 1947. The being identified itself as an officer, pilot and engineer of The Domain Expeditionary Force, a race of beings who are using the asteroid belt in our solar system as a intergalactic base of operations.

ufo interview transcript: Navigating UFO/UAP: A Comprehensive Guide to the UFO/UAP Subject and Key Information Sources - A New 2024 Edition Timothy Clarke, 2023-12-20 This book informs and gives you a valuable analytical overview of the complex mosaic that makes up the subject where every combination is on display. As you flip through the pages, absorb the scale and sophistication of the private and governmental military and intelligence apparatus entangled in the UFO/UAP enigma. Browsing through the table of contents, you'll see a blend of an encyclopedia, history book, roadmap and primer on the subject. It's not just a bunch of facts; it's an exploration of the current and historical sources and the intriguing hypotheses buzzing around the topic. Chapter 5, The Various Hypotheses, is a 165-page deep dive into the many possibilities and is a book within a book. This book opens a portal into the perplexing universe of Unidentified Anomalous Phenomena (UAP), promising to be your trusted guide through the intricacies of this captivating subject. As you delve into the table of contents, envision a blend of encyclopedia, history book, roadmap, and primer—an exploration designed to transcend mere facts. Chapter 5 The Various Hypotheses, delves 165 pages deep into the myriad of possibilities, a book within a book, unravelling the mysterious tapestry that is the UFO/UAP phenomena. Chapter after chapter, from the deep mysteries to the intricacies of government operations, this book aims to leave no stone unturned. It's an invitation to question, explore, and make sense of what could be the most exciting time in human history.

ufo interview transcript: Alien Interview - Readers Edition Lawrence R. Spencer, 2010-04-07 The Readers Edition is a simplified version of the book, ALIEN INTERVIEW. It does NOT include FOOTNOTES, INDEX or TABLE OF CONTENTS. Only the letters, personal notes and copies of top secret government interview transcripts from Roswell, N.M.. The interviews were conducted with the pilot of a crashed UFO at the US Army Air Force Base in July and August of 1947 under government direction by Flight Nurse Matilda O'Donnell MacElroy. (deceased)

ufo interview transcript: The UFO Dossier Kevin D. Randle, 2015-09-21 Trained intelligence officer and retired U.S. Army lieutenant colonel looks at the evidence, unravels government accounts, and exposes misleading UFO research! Does the U.S. government know more about UFO and alien life than it admits? Are eyewitnesses telling the truth? What does the historical record say? Former intelligence officer and retired U.S. Army lieutenant colonel Kevin Randle takes an objective look at the evidence for alien life and UFOs and presents his findings in The UFO Dossier: 100 Years of Government Secrets, Conspiracies and Cover Ups. The author reviews the documents, scours government databases, and interviews witnesses, unearthing details on UFOs, mysterious crashes, sightings, encounters, and related phenomena. The UFO Dossier presents plots, cover-ups, misleading statements, and documented connections to government intrigue—as well as hoaxes and problematic authentications. Following leads and digging into the files of the CIA, the FBI, the FAA, NASA, the Army, Navy, Air Force, and other U.S. government and international agencies, Randle lets the facts guide him. From a short history of UFO projects and the Condon Committee to the complete COMETA report and UFOs in the 21st century, investigations include Asteroids, meteors, and UFOs (Tunguska, Battle of LA, Whitted Sighting Photographs (McMinnville, Tremonton UFO Movie, Bear Mt. St. Park Injuries by UFOs (Fort Itaipu; Cedar City, Utah; Leominster, MA Lights in the Night Sky (Lubbock Lights, Belgium Triangle, New Jersey Lights Scientists and UFOs (Agoura, CA; Artesia, NM; University of Brazil And much, much more! An illuminating account from a leading UFO expert and an authority on the government's reporting on unexplained phenomena, The UFO Dossier: 100 Years of Government Secrets, Conspiracies and Cover Ups takes an objective look at the evidence for alien life and UFOs. This informative book also includes a helpful bibliography and an extensive index, adding to its usefulness.

ufo interview transcript: The Reliable Field Guide To UFO Science, Media And Data Sources Stephen J. Dirac, 2022-07-29 What makes this UFO book different? The Reliable Field Guide to UFO Science, Media and Data Sources contains an incredible amount of research and source material, including: • What Proof Is Out there? • The Various Hypotheses and Phenomena • Relevant People, Science Experts, Programs and Projects • Research Organizations, Archives, Databases and Government Reports • 20th To Early 21st Century Researchers, Authors and Documentarians Remember, if you have been searching for an organized and holistic collection of data on this fascinating and divisive subject, The Reliable Field Guide to UFO Science, Media and Data Sources is the book you've been searching for. Not another UFO Book? This book is a complete and comprehensive 548 pages of solid resources and knowledge, not just on the subject of UFO's but also a deep dive into the various branches and related concepts such as the Starseed Hypothesis, the Sasquatch/Bigfoot Phenomenon, the Crop Circle Hypothesis, the Men In Black Hypothesis and many more. Is the TRUTH really out there? Exceptional claims require exceptional proofs however and the concept of Unidentified Flying Objects is no longer purely in the realms of science fiction/fantasy. Recently, with the latest improvements in image capturing and analytical technology and the proliferation of media and data sources we have acquired fantastic amounts of knowledge about the universe but still do not know how much more there is to be discovered. As J B S Haldane once said: 'The universe is not only stranger than we imagine, it is stranger than we can imagine.' It is only natural that an intelligent and inquisitive mind, fascinated by anomalous experiences, should eventually turn its attention to the UFO mystery. Whatever your position on UFO's, from total believer to a complete skeptic, it's always better to arm yourself with the most up-to-date information on what we currently know, what we think we know and the people and personalities behind the theories and explanations of the various phenomena. The Reliable Field Guide to UFO Science, Media and Data Sources recognizes that the concept of "UFO" must also incorporate the possibilities of a wider spectrum of Unidentified Anomalous Phenomena/UAP and explores these concepts and ideas thoroughly. This book takes a wide, holistic view of the subject and recognizes that the concept of "UFO" must also incorporate the possibilities of a wider spectrum of Unidentified Anomalous Phenomena/UAP.. ufo interview transcript: The Believer Ralph Blumenthal, 2021-03-15 The Believer is the weird and chilling true story of Dr. John Mack. This eminent Harvard psychiatrist and Pulitzer Prize-winning biographer risked his career to investigate the phenomenon of human encounters with aliens and to give credibility to the stupefying tales shared by people who were utterly convinced they had happened. Nothing in Mack's four decades of psychiatry had prepared him for the otherworldly accounts of a cross section of humanity including young children who reported being taken against their wills by alien beings. Over the course of his career his interest in alien abduction grew from curiosity to wonder, ultimately developing into a limitless, unwavering passion. Based on exclusive access to Mack's archives, journals, and psychiatric notes and interviews with his family and closest associates, The Believer reveals the life and work of a man who explored the deepest of scientific conundrums and further leads us to the hidden dimensions and alternate realities that captivated Mack until the end of his life.

Congress. Senate. Committee on the Judiciary. Subcommittee on Immigration and Refugee Policy, 1986

ufo interview transcript: Alien Worlds Diana Tumminia, 2007-05-17 This intriguing collection of essays presents reflections upon the birth, proliferation, enduring appeal, and future of UFO mythology. Highly respected authors and researchers, representing the varied and sometimes competing perspectives of ufology and the sociology of religion, provide a fascinating and instructive voyage into the exotic social worlds of UFOs, abductees, and contactees. Reports of aliens and the changing nature of abduction experience, especially in the sexual dimension are explored in relation to literature, culture, and ideology. The influence of abduction therapy and support groups is considered, as are new religious movements (NRMs) within the UFO community. The book offers rich insights into psychology, human behavior, and religion, melding issues of race, politics, and gender. Finally, it evaluates the existing dynamic of UFOs in the age of the Information Super Highway and ever-increasing globalization. *Alien Worlds* will enlighten anyone wanting to understand what and how the academic world thinks about UFOs, UFO groups, and UFO phenomena.

ufo interview transcript: The Roswell Report United States Air Force, 2013-04-10 Throughout the twentieth century and into the twenty-first, the subject of unidentified flying objects (UFOs) has evoked strong opinions and emotions. For some, the belief in or study of UFOs (known as ufology) has taken on the dimensions of a religious quest. Others remain nonbelievers or at least skeptical of the existence of alien beings and elusive vehicles which never quite seem to manifest themselves. Regardless of one's conviction, nowhere has the debate about UFOs been more spirited than over the events that unfolded near the small New Mexico city of Roswell in the summer of 1947. Numerous witnesses, including former military personnel and respectable members of the local community, have come forward with tales of humanoid beings, alien technologies, and government cover-ups that have caused even the most skeptical observers to pause and take notice. In July 1994, at the request of the Government Accounting Office, the U.S. Air Force completed a thousand-page report to explain the events that transpired in and near Roswell in the summer of 1947. That report sought to bring all the facts to light, declassify all the documents, and present the definitive truth to the public. *The Roswell Report: Case Closed* is the follow up to that report and contains additional materials and analysis intended to reach a complete, open, and final explanation of the events that occurred in the Southwest many years ago. While this explanation may not be as titillating as tales of unearthly craft and creatures, it is a fascinating story nonetheless.

ufo interview transcript: UFOs Frank Schwede, 2023-07-11 Ganz bewusst das Thema »kleine Grüne Männchen« außen vor lassend, werden in diesem einmaligen Band sämtliche gut belegten Sichtungen von UFOs seit dem Zweiten Weltkrieg sowie die entsprechenden Flugobjekte dargestellt. Spannende Hintergrundinformationen zum UFO-Phänomen seit Mitte der 40-Jahre runden das Thema ab. Eine einzigartige Zusammenstellung in der erfolgreichen Typenkompass-Reihe.

ufo interview transcript: The UFO Bible Rafal Col, *The UFO Bible*, Volume 1, is about everything you want to know about UFOs, and the background about them. Everything from organizations who deal with UFOs, Alien races, terminology, theories, conspiracies, what does religion tell us about UFOs, facts, then and now, UFO Design, plus so much more in this first volume of the *UFO Bible*!

ufo interview transcript: Bruce Coville Hal Marcovitz, 2006 Author of the Magic Shop series and *The Unicorn Chronicles*, Coville has captured the imaginations of young readers for more than twenty years with tales of talking toads, Shakespearean spouting skulls, and dragon hatchlings.

ufo interview transcript: The Roswell Report: Case Closed James McAndrew, 2023-11-21 In *The Roswell Report: Case Closed*, James McAndrew meticulously examines one of the most controversial events in UFO history: the alleged crash of an unidentified flying object in Roswell, New Mexico, in 1947. Through a rigorous analysis of declassified documents, eyewitness testimonies, and military records, McAndrew adopts a methodical and analytical literary style, eschewing sensationalism in favor of grounded examination. The book situates itself within the

broader context of Cold War-era paranoia and the evolving public perception of extraterrestrial phenomena, ultimately positing a resolution to the enduring mysteries surrounding Roswell. James McAndrew, a former U.S. Air Force officer turned author and researcher, is uniquely positioned to explore this enigmatic case. His background in the military and his expertise in investigation provide credibility to his claims and insights. Drawing on his experience, McAndrew seeks to demystify the Roswell incident, reflecting a profound interest in how mythology and media can shape historical narratives. This book is essential for readers intrigued by UFO lore, conspiracy theories, and the intersection of military history and popular culture. McAndrew's clear-eyed analysis not only offers closure to a divisive topic but also invites readers to reflect on the nature of truth in the age of information.

ufo interview transcript: JFK & UFO Kenn Thomas, 2011-06-01 A witness to the first UFO sighting in modern times was also believed by Jim Garrison to have shot JFK!

ufo interview transcript: *The Abduction of Betty and Barney Hill* Matthew Bowman, 2023-08-29 A gripping account of an alien abduction and its connections to the breakdown of American society in the 1960s “Excellent and exhaustive.”—Colin Dickey, Slate In the mid-1960s, Betty and Barney Hill became famous as the first Americans to claim that aliens had taken them aboard a spacecraft against their will. Their story—involving a lonely highway late at night, lost memories, and medical examinations by small gray creatures with large eyes—has become the template for nearly every encounter with aliens in American popular culture since. Historian Matthew Bowman examines the Hills’ story not only as a foundational piece of UFO folklore but also as a microcosm of 1960s America. The Hills, an interracial couple who lived in New Hampshire, were civil rights activists, supporters of liberal politics, and Unitarians. But when their story of abduction was repeatedly ignored or discounted by authorities, they lost faith in the scientific establishment, the American government, and the success of the civil rights movement. Bowman tells the fascinating story of the Hills as an account of the shifting winds in American politics and culture in the second half of the twentieth century. He exposes the promise and fallout of the idealistic reforms of the 1960s and how the myth of political consensus has given way to the cynicism and conspiratorialism and the paranoia and illusion of American life today.

ufo interview transcript: *Alien Soil* Katie Singer, 2024-08-16 *Alien Soil: Oral Histories of Great Migration Newark* explores Newark’s Krueger-Scott African-American Cultural Center collection of over 100 oral histories. Historian Katie Singer separates these stories into thematic categories of social and political events, including church, work, and activism, in order to paint an intimate portrait of everyday urbanity and the larger Black urban experience in Newark. Through the examination of these Krueger-Scott narratives, Singer challenges historical falsehoods with the lived experiences of Newarkers who traveled North during the Great Migration, as well as established city residents. *Alien Soil* effectively contextualizes Newark history and re-inserts Black voices into historiography traditionally dominated by “outsiders. The book begins with the Krueger-Scott Mansion’s deep history, followed by the sequence of events surrounding the proposed Cultural Center. Last owned by African-American millionaire and beauty-culture entrepreneur Louise Scott, the Victorian Krueger-Scott Mansion was built by beer baron Gottfried Krueger in 1888. Through the history of the Mansion, and the ultimately failed Cultural Center project, one learns about the Newark that African Americans migrated to, what they found when they got there, how living in the city changed them, and how they, individually and collectively, changed Newark. After the Cultural Center project was officially halted in 2000, the cassette tapes of the oral history interviews were stored away at the Newark Public Library. Ten years later they were unearthed, and ultimately digitized. As of yet, no one has applied these sources directly to their research. Deeply committed to these rich, insightful stories, Singer calls for a more thoughtful consideration of all cities, reminding us that Newark is much more than its 1967 rebellion.

ufo interview transcript: *UFO* Garrett M. Graff, 2024-11-12 “One of the rare books on the topic that manages to be both entertaining and factually grounded.” —The Wall Street Journal From the bestselling author of *Raven Rock*, *The Only Plane in the Sky*, and *Watergate* (finalist for the

Pulitzer Prize in history) comes the first comprehensive and eye-opening exploration of our government's decades-long quest to solve one of humanity's greatest mysteries: Are we alone in the universe? For as long as we have looked to the skies, the question of whether life on earth is the only life to exist has been at the core of the human experience, driving scientific debate and discovery, shaping spiritual belief, and prompting existential thought across borders and generations. It's one of our culture's favorite conversations, and yet, the idea of extraterrestrial intelligence has been largely banished to the realm of fantasy and conspiracy. Now, for the first time, the full story of our national obsession with UFOs—and the covert search by scientists, the United States military, and the CIA for proof of alien life—is told by bestselling author and Pulitzer Prize finalist Garrett M. Graff in a deeply reported and researched history. It begins in 1947, when two headline-making sightings of strange flying objects prompt the US Air Force's newly formed Department of Defense to create a series of secret programs to determine how unidentified phenomena may pose a threat to national security. Over the next half-century, as the atomic age gives way to the space race and the Cold War, the mission continues, bringing together an unexpected group of astronomers, military officials, civilian contactees, and true believers who bring us closer, then further, then closer again, to answering one of our most enduring questions: What exactly is out there? Drawing from original archival research, declassified documents, and interviews with senior intelligence and military officials, Graff brings readers a story that's "Loads of fun...[a] fascinating deep dive down the rabbit hole" (Publishers Weekly).

ufo interview transcript: The UFO Files David Clarke, 2013-03-30 'What does all this stuff about flying saucers amount to? What can it mean? What is the truth?' Winston Churchill, prime minister's personal minute, 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings, drawing on formerly secret government documents at the National Archives in London. Alongside extraordinary reports by ordinary people, it reveals details of official interest and investigations stretching back more than 80 years. In this remarkable book, fully updated for this second edition, David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign, the secret British Intelligence UFO study completed in 2000. As well as covering Roswell and Britain's own Rendlesham Forest mystery, Clarke raids the records for dramatic stories of abductions and close encounters, ghost aircraft and crop circles, and UFO reports by both civilian aircrew and military personnel. Dramatic witness statements and interviews combine with rarely seen photographs, drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries.
